AGENDA

April 11, 2022
6:00 p.m.
City Council Chambers
401 Whitney Blvd., Belvidere, Illinois

Call to Order:

Roll Call:

Public Comment:

Public Forum: Scannell Properties/General Mills Presentation.

Reports of Officers, Boards, and Special Committees:

1. Building, Planning & Zoning, Unfinished Business: None.
2. Building, Planning & Zoning, New Business:
 - A. Building Department - Update.
 - B. Planning & Zoning Department - Update.

- C. Welcome to Spring 2022 Festival.
3. Public Works, Unfinished Business: None.
 4. Public Works, New Business:
 - A. Public Works – Update.
 - B. 2022 MFT Street Maintenance Program.
 - C. Newburg #1 Lift Station Upgrade – WWTP.
 - D. Storm Water Utility Update.
 - E. Tornado Sirens 2022 Maintenance Agreement – Braniff Communications.
 - F. Allocation of ARPA Funds.
 5. Other:
 - A. Police Department – Acceptance of \$3,000 grant from Walmart for the purchase of 2 new canine kennels and exercise equipment.
 - B. Fire Department – Painting at Station #1.
 - C. Fire Department – Door Replace Station #1.
 - D. Fire Department – Door Locks Station #1.
 - E. Fire Department – Purchase of Portable Radios.
 - F. FY23 Budget and Discussion.
 - G. Executive Session to discuss appointment, employment, compensation, discipline, performance or dismissal of a specific employee or official pursuant to 2(c)(1) and Collective Bargaining Matters pursuant to Section 2(c)(2) of the Open Meeting Act.
 6. Adjournment:

ADVISORY REPORT

CASE NUMBER: 2022

APPLICANT: Batres, 400 West Chrysler Drive

REQUEST:

The applicant is requesting a temporary use permit to hold the "Welcome Spring 2022 Festival" on May 28th, 29th and 30th, 2022 in the parking lots of Fiesta Market and R.P. Lumber.

LOCATION AND DESCRIPTION OF SITE:

The three-day festival sponsored by the Latino Business Committee of Boone County will be held in the parking lots of Fiesta Market and R.P. Lumber. The event will feature a carnival, a stage for entertainment, food and booths for businesses and local organizations (see attached site plan). No alcohol will be served. The sponsors are requesting hours from 11:00am to 10:30pm on Saturday and Sunday and 11:00am to 8:00pm on Monday.

BACKGROUND:

The subject property is zoned General Business District; outdoor assembly is an allowable temporary use in the GB District. Section 150.204(1)(2)(A)(4) of the Belvidere Zoning Ordinance states that if the subject property is located adjacent to a residential area, activities shall be limited to day-light hours, unless otherwise specifically approved by the city.

SUMMARY OF FINDINGS:

Provided that the suggested conditions of approval are met, the temporary use is in conformance with the City of Belvidere's Zoning Ordinances.

RECOMMENDATION:

Planning staff recommends approval of the temporary use permit for the Welcome Spring 2022 Festival subject to the following conditions:

1. Event hours are Saturday, May 28, 2022 from 11:00am to 10:30pm; Sunday, May 29 from 11:00am to 10:30pm and Monday, May 30, 2022 from 11:00am to 8:00pm.
2. Volume levels shall be monitored and supervised by the applicant. Sound shall not exceed 60 decibels at the property line.
3. Adequate drinking water, hand-washing facilities and toilet facilities shall be provided.

2022 Temporary Use, Batres, 400 West Chrysler Drive

4. All food vendors shall obtain a temporary food permit from the Boone County Department of Public Health.
5. Open alcohol is prohibited.
6. Parking along Chrysler Drive is prohibited.
7. Fire suppression systems located at the site shall be accessible at all times. Vendor and organization booths shall be located so as to not impede fire department access to the building.

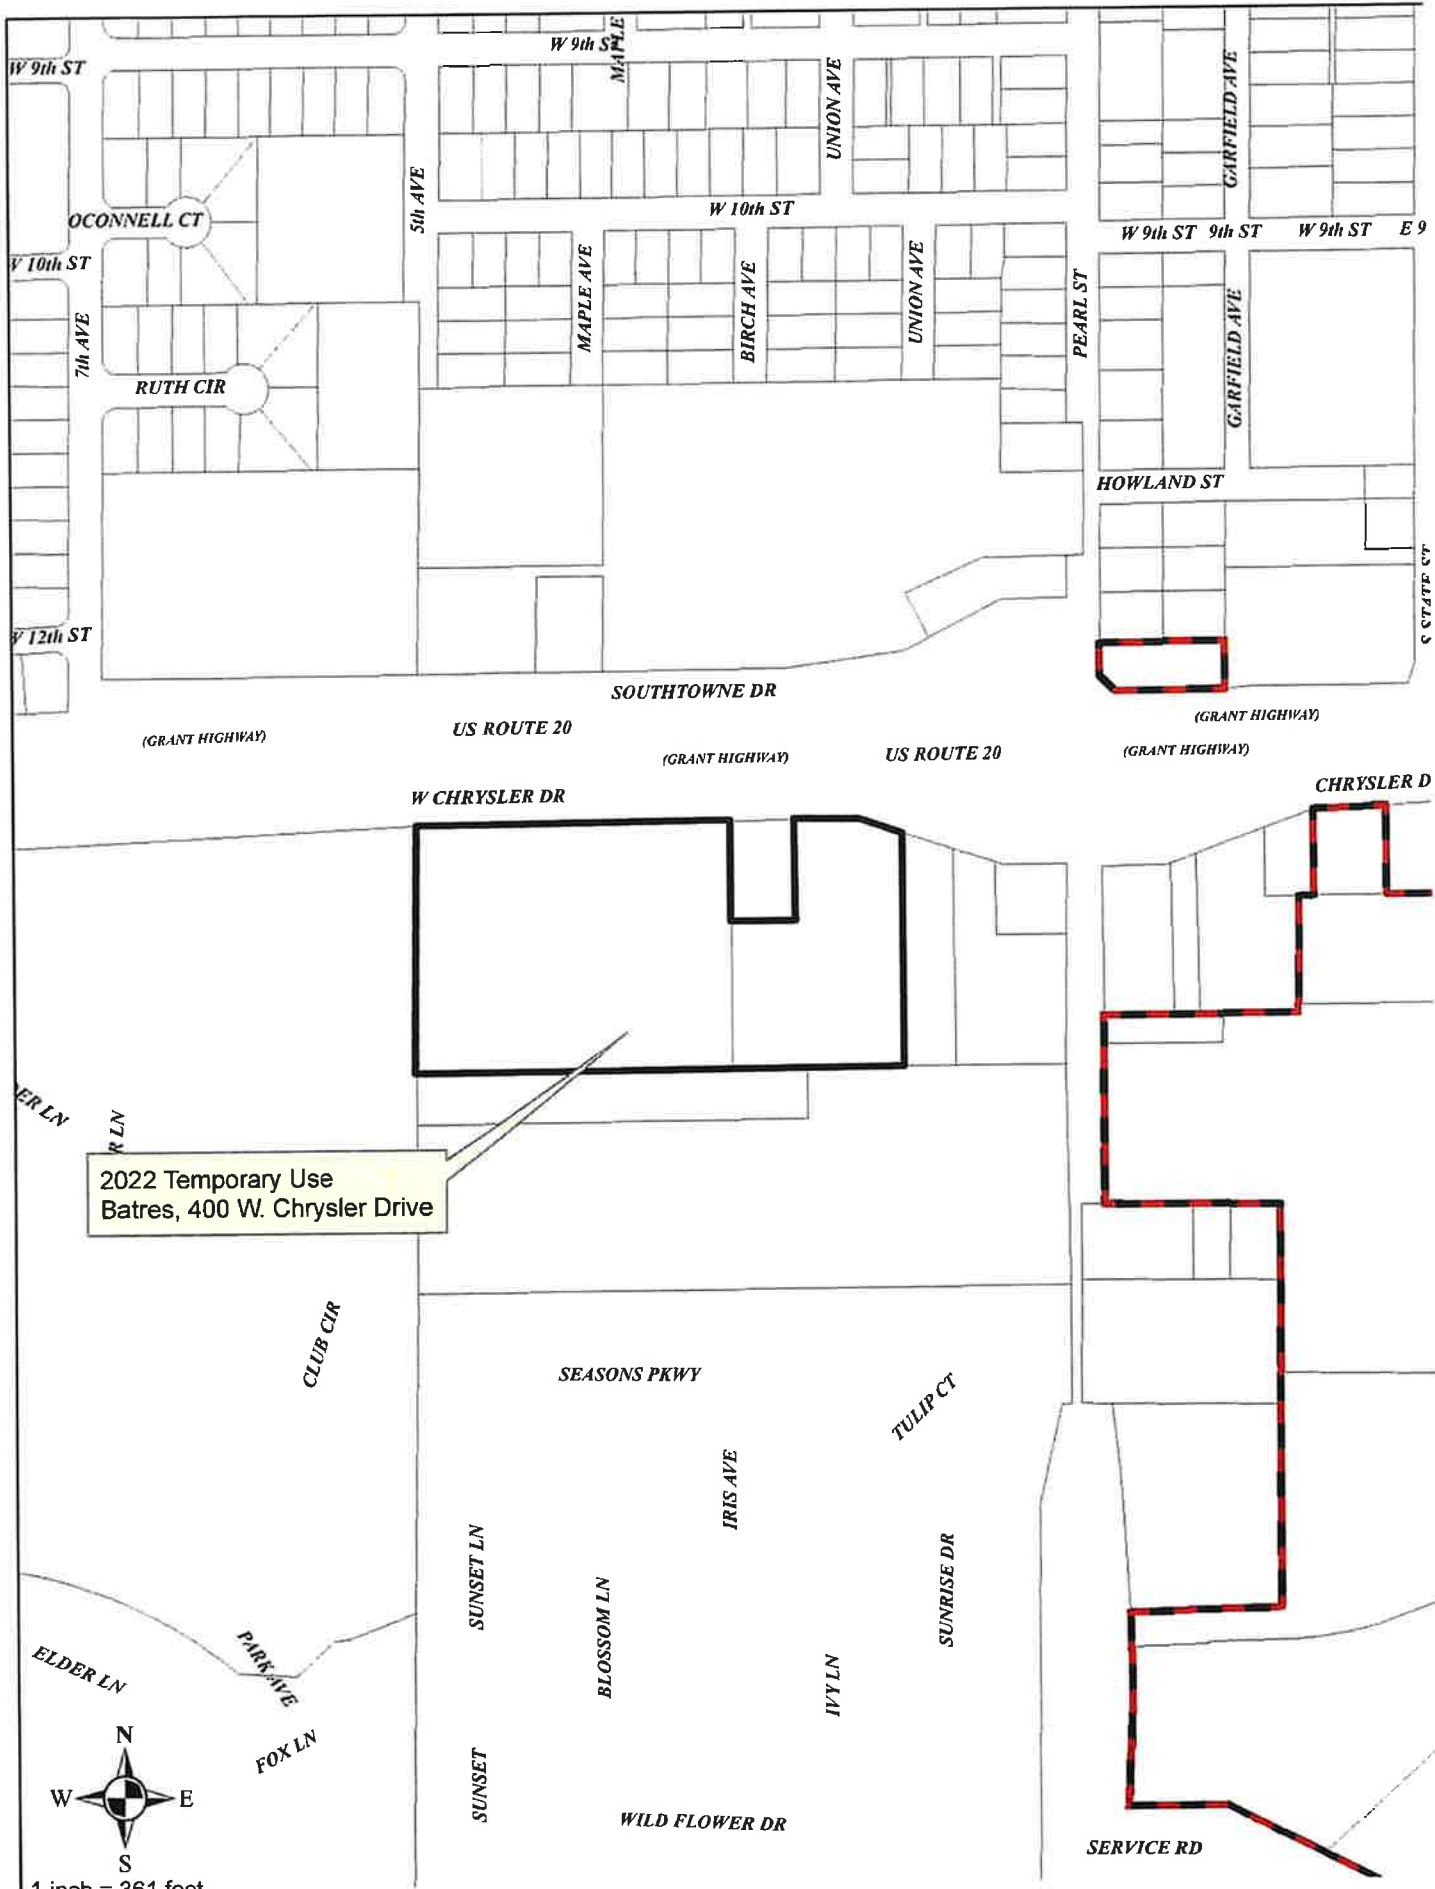

Submitted by:

Gina DelRose, Community Development Planner

ATTACHMENTS

"WELCOME SPRING FESTIVAL 22"

The "Welcome Spring 2022 Festival" will be taking place on Saturday 28, Sunday 29 and Monday 30 (Memorial Day) at Fiesta market & RP Lumber Parking lots, 400 and 500 W. Chrysler Dr. Belvidere IL 61008.

It will be a Festival of healthy distraction for all the families of Belvidere and neighboring cities. Festival hours will start at 11:00 AM to 10:30 PM Saturday and Sunday from 11:00 AM to 8:00 PM. It will be an alcohol free event.

There will be Mechanical games and Entertainment for adults, teenagers and children, we will have a stage, where local and surrounding artists will be present to entertain us with their artistic talents (The stage will close on Saturday and Sunday at 10:00 pm and on Monday at 8:00 p.m.), food from local vendors will be sold.

There will be assistance and tents from local businesses, non- for profit organizations, and local offices that offer public services, with the objective of providing information and at the same time making themselves known to our communities. The funds raised will be used to support our young students attending college or university with grants.

The Festival will have several sponsors and this is being organized with the collaboration of "Latino Business committee of Boone County"

Memo

To: Mayor and City Council
From: Brent Anderson, Director of Public Works
Date: 4/6/2022
Re: Newburg #1 Lift Station Upgrade - WWTP

Last November, Council approved a pump replacement for the Newburg #1 Lift Station in the amount of \$19,362.00. Delivery of the pump was delayed and subsequently the order cancelled. We have done some further review of the current conditions at the lift station that indicates an updated design is warranted. Attached to this memo is a proposal from CES, Inc. to complete the redesign of the Newburg #1 Lift Station in an amount not-to-exceed \$7,400. This work will be paid for from Line Item #61-5-820-6190.

C.E.S. Inc. – Main Office

WORK AUTHORIZATION

Date: April 6, 2022

Subject: Design Update of Newburg #1 Lift Station

Requested by: City of Belvidere – Brent Anderson

General scope of work to be completed:

Research, assistance, coordination, calculations, meetings, review and PM work related to the upgrades of this lift station, including new pumps, rails, hatch and various electrical controls.

Not Included:

Construction oversight or management; permitting; surveys; construction staking/layout; sanitary sewer or water design; structural design; fees for application to any agency; anything not specifically listed above as included.

Fees: Lump sum of \$ 7,400 for work described above.
(Includes Lowell Larson fees up to \$750.00)

Funding Stormwater Programs in Belvidere

Frequent, heavy rains have impacted the City of Belvidere for years. The south side in particular experiences damaging floods, though there are many stormwater needs throughout the City. The City will benefit from dedicated funding with a Stormwater Utility Fee to support stormwater management projects and reduce effects of flooding for homeowners.

PROGRAM OVERVIEW

What is stormwater?

Stormwater is any form of precipitation, including rain and snow, which flows on top of surfaces and does not soak into the ground. This becomes runoff, which drains into the storm sewer system or nearby waterways.

What is a Stormwater Utility Fee?

When infrastructure developed years ago, we didn't think about stormwater. Drinking water, sewer service, electricity, natural gas and telecommunications are all part of utility programs that charge user fees. A stormwater utility fee would work the same and establish a dedicated funding source for the City's drainage projects and allow Belvidere to develop a plan to replace aging infrastructure.

Why is this necessary?

Most recently, heavy rain in 2017 caused flash flooding across the City that damaged homes, private properties and streets. As the City implements drainage improvement projects, flooding risks decrease. This improves the quality of life for all who live, work and visit Belvidere. The Illinois Environmental Protection Agency mandates the City to hold a permit and run specific programs but doesn't provide funding. The utility fee would provide dedicated funds to pay for the needed and mandatory costs.

Is this a tax?

This is not a tax. It will work like water and sewer charges, and the money will go into a proprietary fund used for stormwater management. Implementing this fee will remove the need to increase property taxes to pay for stormwater projects out of the general fund.

What is the residential rate?

A single-family residence will pay about \$45 per year, though the rate structure has not been finalized. Every property contributes to stormwater runoff and would support the improvements in an equitable way. Credits will be available to help property owners reduce stormwater utility bills when they increase stormwater management features on their properties. Single-family homes are charged on the approximate effect they have on the drainage system. Rates are typically revisited every five years.

Where will the money go?

Belvidere has an annual budget of \$30,000 to maintain and improve its stormwater infrastructure. This is not enough to cover the necessary projects to make an impact. The estimated budget of \$4.1 million over five years will improve the storm drain system, replace drainage systems, and address drainage in flood-prone areas and erosion control or restoration projects.

Where can I get more information?

Reach out to the Belvidere Public Works Department at <https://www.ci.belvidere.il.us/departments/public-works/npdes-stormwater.html> or call 815.544.9256.

NEARBY SUCCESS STORY: FREEPORT, ILLINOIS

The Stormwater Utility Fee allows the City to implement large storm sewer projects, including a \$12 million storm sewer replacement project to install 2 miles of 12-foot-by-8-foot storm sewer pipe to handle a 15-year storm event.

Freeport is modeling the entire city to address and correct more issues.

Belvidere Stormwater Fee

3 / 3

1. Flooding in Belvidere is

- A large problem
- A small problem
- Not a problem

2. Flooding has occurred on my block

- Yes
- No

3. I have had property damage or loss due to flooding

- Yes
- No

4. Belvidere is considering a stormwater fee to help fund stormwater improvements and reduce flooding. These improvements are much larger than what can be paid for with the current budget. The recommended fee would be approximately \$3.67 per month for residential properties. Share your opinion of the fee.

- Fair

Too much

5. Other options were considered and have been utilized to fund the stormwater and flooding improvements. Please choose the option that you feel is most appropriate.

Stormwater Fee

Property Tax Increase

Special Service Area

Sales or Gas Tax Increase

6. An engineering consultant completed a feasibility report for implementing a stormwater fee in Belvidere. Please provide comments and feedback on the report.

The report can be found here: <https://www.ci.belvidere.il.us/departments/public-works/npdes-stormwater.html>.

FUNDING STORMWATER PROGRAMS

Belvidere, Illinois

FEHR GRAHAM
ENGINEERING & ENVIRONMENTAL

OVERVIEW

Frequent, heavy rains have impacted the City of Belvidere for years. The south side in particular experiences damaging floods, though there are many stormwater needs throughout the City. The City will benefit from dedicated funding with a stormwater utility fee to support stormwater management projects and reduce effects of flooding for homeowners.

WHAT IS STORMWATER?

It is any form of precipitation, including rain and snow, which flows on top of surfaces and does not soak into the ground. This becomes runoff, which drains into the storm sewer system or nearby waterways.

WHAT IS A STORMWATER UTILITY FEE?

It's an established, dedicated funding source for the City's drainage projects, which allows Belvidere to develop a plan and replace aging infrastructure.

WHY IS THIS NECESSARY?

- » Flash floods cause damage to homes, private properties and streets.
- » Quality of life and real estate values improve.
- » Utility fee provides dedicated funds to pay for the needed and mandatory improvements.

IS THIS A TAX?

The fee will be included on utility bills like water and sewer charges. It is considered a fee and not a tax because it is directly paying for a service.

WHAT IS THE RESIDENTIAL RATE?

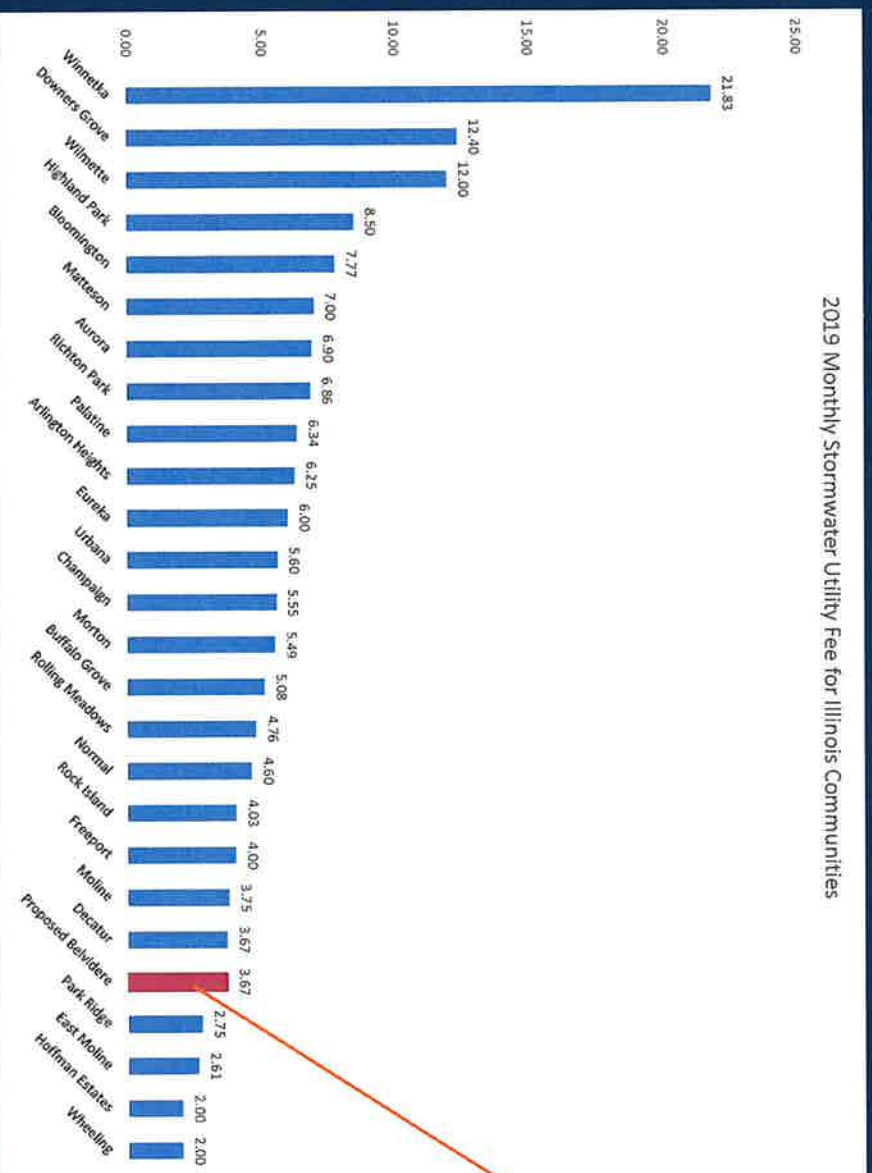

SINGLE-FAMILY HOME

\$45 per year

HOW DOES THE FEE COMPARE?

2019 Monthly Stormwater Utility Fee for Illinois Communities

The proposed fee (\$3.67) for Belvidere homeowners would be modest in comparison to similar fees for other communities in Illinois.

WHERE WILL THE MONEY GO?

Belvidere has an annual budget of \$30,000 to maintain and improve its stormwater infrastructure. This amount is not enough to cover the necessary projects to make an impact. The estimated budget of \$4.1 million over five years will improve the storm drain system, replace drainage systems, and address drainage in flood-prone areas and erosion control or restoration projects, and more.

SUCCESS STORY

FREEPORT, ILLINOIS (POPULATION 25,000)

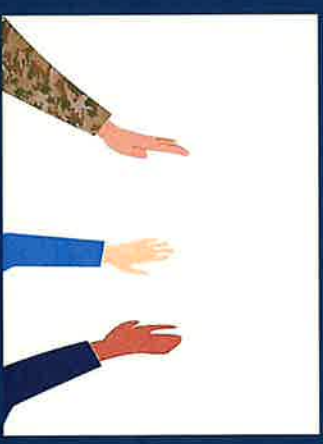

Freeport charges these stormwater fees:

- » Residential: \$4/month
- » Commercial: \$20/month
- » Industrial: \$40/month

This allows the City to implement large storm sewer projects, including a \$12 million storm sewer replacement project to install 2 miles of 12-foot-by-8-foot storm sewer pipe to handle large rain events.

Freeport is modeling the entire city to address and correct more issues to help the community.

MS4 Program Draft Permit Annual Training

Next Term Permit Requirements

Dan Bounds, PE, D.WRE

New MS4 Permit

- Current MS4 permit expired in February, 2021
 - Next term permit has been drafted
 - USEPA has commented
 - Illinois EPA public notice September 2021

NPDES Permit Number ILR40
Notice Number

National Pollutant Discharge Elimination System (NPDES)
Permit Program

Public Notice Beginning Date: September 02, 2021

Public Notice Ending Date: October 01, 2021

PUBLIC NOTICE/FACT SHEET
of

General NPDES Permit to Discharge into Waters of the United States

The Illinois Environmental Protection Agency (IEPA) has made a tentative determination to issue an NPDES general permit to discharge into the waters of the U.S. and has prepared a draft permit for discharges from small municipal separate storm sewer systems.

Permit Number ILR40

New MS4 Permit

- IEPA asked for permit NOIs in Feb 2021, but new permit asks for another NOI within 90 days.
 - May be like 5yrs ago, when if you already submitted an NOI, you don't need to submit again. Need to verify with IEPA.
- Compliance within 180 days of permit issuance
 - IEPA recently also said March 31, 2024
- Storm Water Management Program document now has to be submitted to IEPA

Minimum Control Measures (Program Areas)

- Draft permit contains new requirements in all program areas:
 - Public Education and Outreach on Storm Water Impacts
 - Public Involvement / Participation
 - Illicit Discharge Detection and Elimination
 - Construction Site Storm Water Runoff Control
 - Post-Construction Storm Water Management in New Development and Redevelopment
 - Pollution Prevention/Good Housekeeping for Municipal Operations

Public Education and Outreach on Stormwater Impacts

- Additional Stormwater Management Plan requirements:
 - Define the goals and objectives of the Storm Water Management Program
 - Identify and analyze the target audience(s)
 - Create an appropriate message(s) based on at least three targeted residential issues and three targeted industrial/commercial issues
 - Develop appropriate educational materials. The materials can utilize various media such as printed materials, billboard and mass transit advertisements, signage at select locations, radio advertisements, television advertisements, websites, etc;
 - Determine methods and process of distribution
 - Evaluate the effectiveness of the Storm Water Management Program
 - Utilize public input in the development of the Storm Water Management Program
- Update of the SMP will be needed

Public Education and Outreach on Stormwater Impacts

- Distribute the educational materials in such a way that is designed to convey the program's message to the target audience each year
- Assess changes in public awareness and behavior resulting from the implementation of the SWMP such as using a statistically valid survey and modify the education/outreach program accordingly. Report on assessment and any modifications made

Public Education and Outreach on Stormwater Impacts

- Annual reporting
 - Number of educational pamphlets, brochures, or other materials produced and the percent of the MS4 population reached
 - Number of educational posters/placards posted to public areas
 - Number of presentations to homeowners' associations
 - Number of presentations to education groups
 - Number of presentations to professional/commercial associates

Public Involvement/Participation

- Identify any watershed workgroups within jurisdiction and participate with other stakeholders
- Annual reporting
 - Number of public forums to notify and solicit public comment on Storm Water Management Programs
 - Number of park or stream cleanup events
 - Number of training activities to educate volunteers on recognizing illicit discharges
- Have to join a chloride reduction group (winter deicing BMPs)

Illicit Discharge Detection and Elimination

- Enforceable requirements for the prompt reporting to the MS4 of all releases, spills, and other unpermitted discharges to the separate storm sewer system, and a program to respond to such reports within 30 days
- Illegal connection or illicit discharge - remove the discharge within 48 hours of discovery
- Evaluate categories of non-storm water discharges
- Written procedures included within the SMP
- Annual reporting
 - Number of dry weather inspections conducted
 - Number of illicit discharges eliminated
 - Number of educational presentations to commercial/industrial groups

Construction Site Storm Water Runoff Control

- Maintain an inventory of all active public and private construction sites that result in a total land disturbance of one or more acres
- Inspect the following phases of construction at least once:
 - Prior to Land Disturbance: The permittee shall ensure all necessary erosion and sediment controls are in place
 - During Construction
- Construction operator education required
- Annual reporting
 - Number of pre-construction meetings/reviews conducted by the permittee
 - Number of site inspections conducted by the permittee
 - Number of violations found during site inspections
 - Number of enforcement/corrective actions taken by the permittee
 - Number of attendees training classes for contractors, developers, or others

Post-Construction Storm Water Management

- Annual training for municipal staff and contractors on Green Infrastructure implementation and maintenance
- Annual reporting
 - Annual training conducted
 - BMPs implemented and the resulting percent reduction in storm water runoff and pollutants

Pollution Prevention/Good Housekeeping for Municipal Operations

- Catch basin cleaning schedule
- Street sweeping prioritization / frequency
- Landscape maintenance activities and materials
- Annual reporting
 - Annual training conducted
 - Number of pollution prevention inspections of the permittee's facilities
 - Street sweeping activities
 - Catch basin cleaning activities
 - Landscape material reduction

Pollution Prevention/Good Housekeeping for Municipal Operations

- Development of a Municipal Facility and Storm water Control Inventory, including a map
- Mapping must include storm water outfalls, receiving waters, and identify the manager of each facility with contact information
- For each facility in the inventory:
 - Quarterly visual inspections - shall be tracked in a log for every facility, and records kept with the SWMP documents
 - Quarterly visual observation of storm water discharges. Remedy any issues within three days or before the next storm event. Visual observations shall be documented
 - Sites that have had no corrective actions over a one year period may be inspected on a semi annual basis

Municipal Facility Inventory

- Composting facilities
- Equipment storage and maintenance facilities
- Fuel farms
- Hazardous waste disposal facilities
- Hazardous waste handling and transfer facilities
- Incinerators
- Landfills
- Landscape maintenance on municipal property
- Materials storage yards
- Pesticide storage facilities
- Public buildings, including schools, libraries, police stations, fire stations, municipal buildings, and similar buildings
- Public parking lots
- Public golf courses
- Public swimming pools
- Public works yards
- Recycling facilities
- Salt storage facilities
- Solid waste handling and transfer facilities
- Street repair and maintenance sites
- Vehicle storage and maintenance yards
- Municipally-owned and/or maintained structural storm water controls

Pollution Prevention/Good Housekeeping for Municipal Operations

- Annual Report requirements
 - Annual training conducted
 - Number of pollution prevention inspections of the permittee's facilities
 - Street sweeping activities
 - Catch basin cleaning activities
 - Landscape material reduction activities and material disposed of

***Your Turn-Key Project Source for Audible and Visual Emergency Alerting,
Notification and Communications Systems***

April 1, 2022

Mayor Michael Chamberlain
City of Belvidere
401 Whitney Blvd
Belvidere, IL 61008

**RE: Outdoor Warning Siren System Annual Preventative Maintenance Agreement
Renewal - Agreement No.: PMA-050191B**

Dear Mayor Chamberlain:

Please find enclosed our Invoice #0034009 itemizing the renewal of our Preventative Maintenance Agreement for the Outdoor Warning Siren System in the City of Belvidere for the period from May 1, 2022 thru April 30, 2023. This will continue your coverage of your existing sirens for a period of one (1) year. We will continue our maintenance program as outlined on the enclosed Agreement and Addendum A documents.

Please sign both copies of the enclosed Agreement, as well as the applicable Addendum(s), retain one (1) signed original for your records and return one (1) signed original with a check or purchase order if required, no later than April 30, 2022 so that your coverage will not be interrupted. In the event we do not receive the signed agreement renewal prior to April 30, 2022, the agreement will expire and any requested service to the siren system will be performed on a time and material basis until the agreement is renewed.

On behalf of Braniff Communications, Inc., I would like to thank you for granting our firm the opportunity to provide the City of Belvidere with the enclosed Maintenance Agreement renewal and extend our sincerest interests in assisting you with the long-term future support and maintenance of the Outdoor Warning Siren System equipment. We truly appreciate your business.

Should you have any questions or if Braniff Communications, Inc. can offer any further assistance, please don't hesitate to contact us at your earliest convenience.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Jeffrey M. Ryba', is written over a faint, larger version of the signature.

Jeffrey M. Ryba
President

TERMS AND CONDITIONS

This Maintenance Service Agreement, (this Agreement), is between BRANIFF COMMUNICATIONS, INC., a corporation, ("BRANIFF") and the ("CUSTOMER") as indicated on the reverse side of this Agreement. In consideration of the mutual agreement herein contained, BRANIFF and the CUSTOMER agree as follows:

1.) Subject to the terms and provisions of this Agreement, BRANIFF, hereby agrees to maintain and service equipment, (the OUTDOOR WARNING SIREN EQUIPMENT), described on the reverse side of this Agreement including the referenced and/or attached Addendum(s) beginning and ending on the dates indicated.

2.) CUSTOMER hereby agrees to pay BRANIFF the total of annual charge(s) set forth on the reverse side for the term of this Agreement in one or more annual payment(s), due on the date(s) hereof. In addition CUSTOMER shall pay for any applicable sales, use, excise or other taxes, if any, which may be imposed upon the furnishings of parts, components or services pursuant of this Agreement. In cases where the CUSTOMER is exempt from such taxes, an exemption certificate must be furnished by CUSTOMER.

3.) After the term of this Agreement, this Agreement may be renewed by mutual agreement of the parties, in writing. BRANIFF shall have the option to change and/or revise annual charges for the Agreement renewal and shall notify CUSTOMER of such revisions within thirty (30) day written notice from end of the Agreement term.

4.) BRANIFF shall perform its obligation hereunder during normal business hours at the location(s) of the equipment as provided by the CUSTOMER and indicated on the reverse side of this Agreement in accordance with the referenced and/or attached Addendum(s) of this Agreement as outlined on our inspection reports pertaining to each siren.

5.) The service to be performed by BRANIFF hereunder shall consist of repair or replacement of the EQUIPMENT and parts and components thereof which have malfunctioned or become inoperative in normal wear and usage as outlined on referenced and/or attached Addendum(s), but shall not include interface equipment or, in the instance of radio products, antennas, external microphones and other accessory items. This Agreement does not extend to repair or replacement of the EQUIPMENT or parts or components thereof which have malfunctioned or become inoperative for any other reason, including but not limited to misuse, abuse, vehicular accident, fire, natural disaster, explosion or other casualty, or modification or alteration by any party other than BRANIFF.

6.) BRANIFF'S obligation to service the EQUIPMENT pursuant to this Agreement shall consist of its obligation of repair or replacement herein above set forth. In the event of any breach of such obligation by BRANIFF, CUSTOMER'S sole remedy shall be to terminate this Agreement and receive from BRANIFF the lesser of: (i) the actual and reasonable cost of such repair or replacement by another party; or (ii) the monthly charges theretofore paid by CUSTOMER in respect of such of the EQUIPMENT for which breach is claimed by CUSTOMER. In no event shall BRANIFF be responsible for consequential damages or other damages, such as, but not limited to, loss of profits, cost of purchasing or renting replacement equipment, or loss of use of the EQUIPMENT or the site where the EQUIPMENT is installed. This limitation on the liability of BRANIFF shall not extend to any claim for damages arising out of injury to person or property directly and proximately caused by the EQUIPMENT.

7.) BRANIFF shall perform its obligation hereunder at the sites as designated by the CUSTOMER. The CUSTOMER shall be responsible for providing access to the EQUIPMENT as well as providing a safe and suitable working site, and shall be responsible for additional costs or expenses incurred by BRANIFF in performing services at such site(s), including, but not limited to transportation costs, temporary equipment rentals, employee overtime, and additional labor costs resulting from utilization of local union workmen to conform with any agreement or other requirements affecting such work site(s).

8.) Any item of the EQUIPMENT which is not new or which has not been subject to a maintenance service agreement with BRANIFF immediately prior to this Agreement shall be inspected by BRANIFF at CUSTOMER'S request and restored to operative condition at the expense of CUSTOMER. In the event that BRANIFF is unable to restore the EQUIPMENT to operative condition, then effective upon the date of notice of such fact to CUSTOMER, this Agreement shall be terminated as to such EQUIPMENT and the charges hereunder equitably reduced. Such termination shall have no effect as to any other EQUIPMENT herein above specified, and in addition, CUSTOMER shall pay BRANIFF its reasonable charges for parts and labor expended in its attempt to restore such EQUIPMENT to operative condition.

9.) BRANIFF warrants that parts, components and services furnished pursuant to this Agreement shall be commercially free from defects of material and workmanship at the time EQUIPMENT is being serviced. Any claim for breach of this warranty shall be ineffective unless written notice thereof shall be given to BRANIFF within the period of one year from the date hereof. THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES OF MERCHANTABILITY, FITNESS FOR PURPOSE AND OF ANY OTHER TYPE, WHETHER EXPRESS OR IMPLIED.

10.) BRANIFF shall use reasonable diligence to perform its obligation hereunder on a commercially timely basis but subject to delays or failure resulting from fire, war, labor disputes, acts of God, governmental regulations, commercial shortages, component or material unavailability, weather conditions, and other causes beyond its reasonable control. Performance by BRANIFF is further conditioned upon complete information or instructions being furnished by CUSTOMER regarding inoperative or malfunctioning conditions of the EQUIPMENT and possible causes thereof.

11.) BRANIFF shall be responsible for all loss of or damage to the EQUIPMENT while in the possession of BRANIFF and CUSTOMER shall be responsible for all loss of or damage to the EQUIPMENT while in transit to or from BRANIFF'S Service Shop designated pursuant to this Agreement. Notwithstanding the foregoing, unless otherwise instructed by CUSTOMER, BRANIFF shall insure return shipments of the EQUIPMENT to CUSTOMER for not less than replacement value thereof and the cost of such insurance shall be billed to and paid for by the CUSTOMER.

12.) CUSTOMER represents and warrants that: (i) CUSTOMER owns the EQUIPMENT or has full right of possession and use thereof throughout the term of this Agreement; (ii) CUSTOMER has full power and authority to enter into this Agreement; and (iii) the performance of this Agreement by BRANIFF as herein above set forth will not violate any contracts or arrangements to which CUSTOMER is a party or which may be binding upon CUSTOMER.

13.) This Agreement may be terminated: (i) by either party hereto in whole or in part as to less than all items of the EQUIPMENT upon giving the other party ninety (90) days advance written notice of its intent to terminate; or (ii) by CUSTOMER upon giving BRANIFF written notice thereof within 15 days after BRANIFF shall have designated a different service facility pursuant to paragraph 3 hereof. Upon the effective date of any such termination all rights and obligations hereunder shall cease and terminate except that: (i) BRANIFF shall complete all services herein required of it with respect to EQUIPMENT theretofore delivered to BRANIFF and shall return same to CUSTOMER; (ii) CUSTOMER shall pay for all charges or other costs accruing prior to the effective date of termination or with respect to EQUIPMENT thereafter returned to CUSTOMER by BRANIFF; and (iii) BRANIFF shall return to CUSTOMER all payments made by CUSTOMER applicable to terminated maintenance services to have been rendered by BRANIFF subsequent to the effective date of termination.

14.) This Agreement constitutes the only agreement between BRANIFF and CUSTOMER respecting the subject matter hereof and supersedes all prior agreements or understands, whether written or oral. This Agreement may not be amended or modified except in a writing signed by BRANIFF and CUSTOMER. Neither party may assign any rights hereunder without the prior written consent of the other. This Agreement shall be solely for the benefit of BRANIFF and CUSTOMER and no other party shall have any rights hereunder.

ADDENDUM A
AGREEMENT NO. PMA-050191B
OUTDOOR WARNING SIREN SYSTEM
PREVENTATIVE MAINTENANCE SERVICE AGREEMENT

A.1 PREVENTATIVE MAINTENANCE INSPECTION INTERVAL AND COVERAGE

- A.1.1 Pricing itemized in this agreement includes an annual, on-site preventative maintenance inspection visit at each of the nine (9) warning siren sites in the City of Belvidere.
- A.1.2 Pricing itemized in this agreement includes all applicable travel time associated with the on-site, preventative maintenance inspections.
- A.1.3 In addition to the on-site preventative maintenance inspection(s), Braniff Communications, Inc. shall provide field service repair in the event of equipment failure(s) discovered during regular monthly testing of the system or other system testing and/or monitoring procedures and shall respond to such service requests within 72 hours, weather permitting. These repairs, caused by normal wear and tear and necessary to maintain the preparedness of the warning system, include all applicable travel and on-site repair labor. Also included, are all required minor replacement parts such as switches, relays, belts, fuses, semiconductors, or any minor part with a published list price of \$50.00 or less. The loss of electrical service power at/to the warning siren site is not a covered repair.
- A.1.4 This Preventative Maintenance Service Agreement does not include the replacement of major warning siren components, including the repair labor associated with the replacement of these components, including but not limited to;
- A.1.4.1 RF Siren Controller including FM Receiver, Tone Decoder and Timer
- A.1.4.2 Main Siren Horn Assembly
- A.1.4.3 Siren Chopper Motor Assembly
- A.1.4.4 Chopper Housing Assembly (T-1000/1003 & 2001 Series)
- A.1.4.5 Siren Rotator Motor/Gear Reducer Main Assembly
- A.1.4.6 Blower Motor/Pump/Housing Assembly (T1000/1003 Series)
- A.1.4.7 Pole-Mounted Enclosures, including Motor Controls and Battery Storage
- A.1.4.8 Treated Wooden Utility Pole / Galvanized Steel Pole.
- A.1.5 In the event of a non-covered repair, Braniff Communications, Inc. will submit a detailed labor and parts estimate of the repair cost in accordance to the rates itemized under items A.5 and A.6., and will delay such repair(s) until the City of Belvidere issues a repair purchase order. Such delay shall not interfere with the scheduled maintenance on the balance of the warning system.

A.2 WARNING SIREN SITE ACCESS

- A.2.1 The City of Belvidere shall be responsible to provide for, or facilitate, access by Braniff-owned vehicles including aerial bucket truck(s) and Service Van(s) at each warning siren site as required to perform the preventative maintenance inspection(s) or repairs.
- A.2.2 Site landscape restoration shall be incidental and is not provided for, nor included, in this agreement.

A.3 APPLICABLE MAINTENANCE INSPECTION SCHEDULE(S)

- A.3.1 Preventative maintenance inspections shall be performed in accordance with, as well as documented per, Braniff inspection schedule(s) #2001DC.

A.4 SIREN SYSTEM ACTIVATION CONTROL & STATUS MONITORING STATIONS

- A.4.1 Unless specified and listed on the Preventative Maintenance Service Agreement, any required or recommended equipment inspection and/or repair, including troubleshooting, training and re-alignment required at any applicable Municipal Police/Fire/EMA facility, and/or contracted dispatching agent's facility, should be referred to the equipment service provider under contract or shall be performed, by Braniff, in accordance to the rates itemized under items A.5 and A.6.

A.5 SERVICE LABOR RATES

- A.5.1 Warning siren site and/or activation control & monitoring station equipment repair, not covered under the Preventative Maintenance Service Agreement as listed under A.1 and A.4, shall be performed according to the labor rates listed herein.
- A.5.2 A Service Call or Travel Labor Charge of \$75.00 per hour shall apply to each hour of travel time and will be billed in ½ hour increments.
- A.5.3 Braniff Communications, Inc. shall supply, as required and requested by the, City of Belvidere a Field Service Technician / Service Van at a rate of \$145.00 per on-site hour billed in ½ hour increments.
- A.5.4 Braniff Communications, Inc. shall supply, as required and requested by the City of Belvidere, an Aerial Bucket Truck with Operator at a rate of \$180.00 per hour, portal to portal.
- A.5.5 Braniff Communications, Inc. shall supply, as required and requested by the City of Belvidere, an additional Field Service Technician at a rate of \$115.00 per hour, portal to portal.
- A.5.6 When and as applicable, Braniff Communications, Inc. shall conform to the regulations, requirements and rates set forth under the Illinois Wages of Employees on Public Works Act (820 ILCS 130/1-12).

A.6 PARTS / MATERIAL DISCOUNT AND PROCUREMENT

- A.6.1 Any required replacement parts, including replacement batteries, shall be furnished by Braniff Communications, Inc. at a discounted rate of 15% off published list price.
- A.6.2 Any proprietary parts that may be required, other than those manufactured by, or utilized by, Federal Signal Corporation, may be available for sale to the end-user only. Under such circumstances, the City of Belvidere shall assist Braniff Communications, Inc. in securing any such applicable part(s) as required.
- A.6.3 In the event of part unavailability due to product obsolescence, Braniff Communications, Inc. shall diligently pursue the procurement of equivalent substitute, refurbished, or used part(s) to complete warning siren equipment repair(s). Under certain circumstances, equivalent substitute, refurbished, or used parts may not be available and replacement components or product shall be quoted.

MEMORANDUM

To: City Council

cc: Mayor Clinton Morris

From: Shannon Hansen, Budget & Finance Officer *sh*

Date: April 7, 2022

Re: American Rescue Plan Act Funds

As you know, last fall the City of Belvidere received \$1,710,788 in American Rescue Plan Act, or ARPA, funds. While the funds can be used in a number of ways, the following immediate needs, both of which are eligible uses, have been identified:

1. Southwest Tower Rehabilitation	\$ 600,000
2. Primary Clarifier Upgrades	<u>\$ 700,000</u>
	\$1,300,000

The Southwest Tower Rehabilitation project will be completed during FY 23. Engineering work for the Primary Clarifier Upgrades will begin late this fall with the remainder of the work occurring in FY 24. Therefore, the above represents engineering fees and initial construction costs only; the entire project cost is estimated at \$1.4 million.

Both projects are currently part of the Capital Schedule in the proposed budget for FY 23.

I recommend approving the use of approximately \$600,000 of ARPA funds in FY 23 for the Southwest Tower Rehabilitation project and the use of approximately \$700,000 of ARPA funds in FY 23 for engineering fees and initial construction costs for the Primary Clarifier Upgrades.

Thank you.

RE: Request to accept a \$3,000 Grant

On March 22, 2022 the Belvidere Police Department applied for a Community Grant from Wal-Mart Facility #3597 in the amount of \$3000.00.

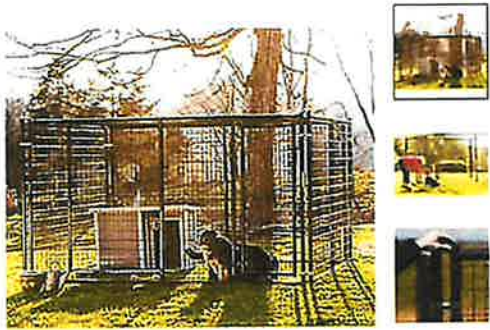

Wal-Mart Facility #3597 recommended our grant application and the Belvidere Police Department received final confirmation that the grant was awarded.

This grant does not require any matching funds and upon approval, would be used for the purchase of 2 canine kennels at an approximate cost of \$1800.00. Any remaining funds would be used to purchase additional exercise equipment for the Belvidere Police Department.

Motion: To accept a \$3,000 grant from Wal-Mart for the purchase of 2 new canine kennels and exercise equipment for the Belvidere Police Department.

Memo...

From:	Captain Letourneau	Today's Date:	4/6/2022
To:	Chief Hyser	Subject:	St #1 Painting

Chief Hyser,

I have acquired the quotes for the painting at Station One and the prices are as follows:

Five Star Painting:

Upstairs	\$12,305.57
Apparatus floor	\$4,982.40
Total	\$17,287.97

Renaissance Painting & Restoration:

Upstairs	\$8,900.00
Apparatus floor	\$5,600.00
Total	\$14,500.00

TNT Painting:

Upstairs	\$5,800.00
Apparatus floor	\$3,600.00
Total	\$9,400.00

My recommendation would be TNT Painting in the amount of \$9,400.00.

Respectfully,

Captain Letourneau

Any alteration or deviation from the specification involving extra costs will become an extra charge over and above the quote. All accounts are due and payable upon completion of work as described above. In the event suit is brought, the prevailing party shall recover its attorney fees and costs. Finance charge of 1.5% per month will be applied on all past due accounts. All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices. This proposal may be withdrawn if not accepted within 15 days.

I hereby grant Five Star Painting permission to use my, and my property's, likeness in a photograph, video, or other digital media ("photo") in any and all of its publications, including web-based publications, without payment or other consideration. I understand and agree that all photos will become property of Five Star Painting and will not be returned. I hereby hold harmless, release, and forever discharge Five Star Painting from all claims, demands, and causes of action.

I agree to the payment terms and contract stated above:

From:	Captain Letourneau	Today's Date:	4/4/2022
To:	Chief Hyser	Subject:	St #1 Door

Chief Hyser,

As you are aware, the training room door at Station One is in a state of disrepair. Due to the recent rain and humidity changes, the door has become inoperable. This door serves as a fire exit and will need immediate attention. I have acquired three quotes for the Training Room door replacement. The prices are as follows:

Barcol Door Company. \$4,373.00

Mike Cropp Door Service \$5,350.00

Beyer Builders. \$6,790.00 (Material only)

My recommendation would be Barcol Door Company in the amount of \$4,373.00.

Respectfully,

Captain Letourneau

Captain, we have the estimate on the door as I wrote in my last email. Still looking into a suitable installer for this door system. Commercial/industrial door installers are not an easy find & we are more so on the residential side of construction. We have contacted 3 companies on this & no luck. Will keep you posted

Subject: Re: rear entry door

Just checking back if you were able to complete an estimate for our training room door. We are hoping to present this to the council next week.

On Tue, Mar 1, 2022 at 11:14 AM Beyer Builders Inc. <info@beyerbuilders.com> wrote:

Good Morning Captain,

We were having a tough time on the door you are requesting for an estimate as it will be a custom sized & built door with attached transom window. We did find a supplier out of Chicago that can do this but the current wait time on the door will be 6-8 months. The door & transom costs are aprox \$ 6790.00. Still working on install quote .

Memo...

From:	Captain Letourneau	Today's Date:	4/7/2022
To:	Chief Hyser	Subject:	St #1 Door locks

Chief Hyser,

As you know, the Station One apparatus floor door locks continue to be inoperable during cold or damp weather. The current setup has become obsolete and cannot be repaired. Three companies were contacted and all recommended installing Cloud based systems which have become the new standard. This will help us track who enters the building, remotely unlock doors for contractors, and quickly add/delete employees. I have attached the quotes for the replacement lock system. The prices are as follows which include Cloud fees for the first year:

M. Spinello

Installation \$8,553.00

Annual Cloud fee \$594.00

I. Spinello

Installation \$5,447.50

Annual Cloud fee \$275.00

Oliphant Lock & Safe: Did not provide an installation quote.

My recommendation would be I. Spinello in the amount of \$5,447.50.

Respectfully,

Captain Letourneau

Complete Turn-Key (2) Door Commercial Cloud Based Card Access Control System For Belvidere Fire Department

2022 Boone County Prevailing Wage Rate Project

Two Year Equipment / Two Year Labor Warranty

Why install a cloud based access control system?

M. Spinello & Son's scalable cloud solution for access control management offers seamless control of your facility's doors from anywhere in the world, at any time of the day, on any device.

Never worry about having to be on-site to make necessary changes to your exterior door security for your facility. Our new cloud access control solution enhances the security management experience by simplifying previously complicated tasks, delivering global accessibility, scalability and convenience.

Use your current access control door proximity readers, current access control panels, current access control power supplies and current access control credentials.

Log into your cloud managed access control system from a desktop, tablet, android or apple (iOS) mobile phone to unlock the power of your cloud software from anywhere, with features such as removing cardholders, updating time or access schedules, monitoring real-time events and unlocking doors at the touch of a button.

Our new cloud access control solution is designed to bring everything you expect from a standard access control system into the cloud and removes the need for a locally hosted database or dedicated PC.

You never have to worry about updating your operating system or access control software in the future.

Our cloud access control software uses AWS (amazon web services) to securely store your database, and by using the bespoke web interface, you can add and remove cardholders, access groups, time schedules with an easy to use interface. This system is fully encrypted as well.

Our new cloud access control solution offers:

- **SaaS Subscription Based**
- **Encrypted Hub Connectivity To Existing Access Control Panels**
- **Flexible Data Storage Options**
- **Mobile-Friendly User Interface**
- **Automatic Behind The Scenes System Updates**
- **No Software Maintenance Requirements**
- **Easy Setup Wizard To Get You Started**
- **New Visual Hardware Navigation Tool**
- **Designed To Work With Your Existing Access Control Panels and Readers**
- **Rapid Introduction Of New Hardware & Features**

Purchase our affordable Cloud access control software with a lifetime license, pay an affordable annual fee and open up a new world of connectivity with your facility from anywhere, anytime on unlimited devices.

This cloud access control system solution quote was custom designed and prepared specifically for your facility by business owner Jimi White after our on-site walk throughs.

From:	Captain Letourneau	Today's Date:	April 7, 2022
To:	Chief Hyser	Subject:	Portable radios

Chief Hyser,

We are requesting to purchase five Motorola APX4000 radios in the amount of \$13,477.10 from Rock River Service. These radios will replace outdated and inoperable equipment. I am also asking to waive the bid process since Motorola pricing is set by State bid. This purchase would be from line item #41-5-752-8200, Capital Improvement Expenditures. Pricing has significantly increased for the five budgeted radios and Motorola pricing is again increasing, 05/09/2022. Included are prices for both the purchase of four and five radios. Please find the attached quotes from Rock River Service.

Respectfully,

Captain Letourneau
