RE: Belvidere District 100 Intergovernmental Agreement

In your packets you have, for your review, the proposed Intergovernmental Agreement for a School Resource Officer (SRO) between Belvidere School District 100 and the City of Belvidere.

The agreement highlights the SRO's area of responsibility being Belvidere High and Middle Schools. The SRO responsibilities within those schools are in addition to many others;

- Handling crimes in progress
- Responding to calls for service requiring a police report
- Community policing
- Building relationships with school staff and parents
- Developing rapport with the students and
- Acting as the liaison between the police department and school district

The school district agrees to pay 70% of an average officer's compensation package as outlined in the agreement

The SRO will be scheduled August through May for a 42 hour work week Monday – Friday following the school district holiday schedule. June and July the SRO is assigned to a regular patrol shift.

The school district can schedule the SRO for sports and activities as outlined in the agreement agreeing to pay the SRO's overtime rate

This agreement is for a period of 3 years and either party can cancel the agreement with 60 days written notice.

**Motion: Authorize the Intergovernmental Agreement between the City of Belvidere and Belvidere School District No. 100.**

INTERGOVERNMENTAL AGREEMENT FOR  
SCHOOL RESOURCE OFFICER BETWEEN  
SCHOOL DISTRICT 100 AND THE CITY OF BELVIDERE

THIS AGREEMENT is entered into on this \_\_\_\_\_ day of \_\_\_\_\_, 2022 between the City of Belvidere (the City) and the Board of Education of the Belvidere Community Unit School District No. 100 (District 100), Boone County, Illinois (District 100), both located within Boone County, State of Illinois.

WHEREAS, Section 10 of Article 7 of 1970 Constitution and the Intergovernmental Cooperation Act (5 ILCS 220/1 et seq.) empower units of local government to contract among themselves to share services and exercise, combine, or transfer any powers not prohibited by law; and

WHEREAS, District 100 desires to have the services of a City police officer available at the Belvidere High School (the High School) and the Belvidere South Middle School (the Middle School). The High School and Middle School are jointly referred to herein as the Schools; and

WHEREAS, the City determines that it is in the City's best interest to provide said services to the Schools located within the corporate limits of the City.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the adequacy of which is hereby acknowledged, the City and District 100 agree as follows:

1.     **RECITALS:**  
The foregoing recitals are incorporated herein by this reference as if fully set forth.
2.     **SERVICES PROVIDED:**
  - A. The City shall provide a School Resource Police Officer (the SRO) to District 100, to perform general police duties and to assist District 100 in the security of the Schools.
  - B. The City shall also assist District 100 with the overall security evaluation of the Schools.
3.     **SRO EMPLOYMENT:**  
The SRO is a City employee and shall be supervised and remain subject to the Police Department chain of command. All activities of the SRO shall be taken as a City employee and pursuant to applicable laws and the City Police Department's rules and regulations.

The Chief of Police, or his designee, shall coordinate the provision of SRO services with the principals of the Schools and/or the Superintendent of District 100.

It is essential that the City ensure that it is providing competent and professional services, not only to District 100, but to the entire community. As such, in the unlikely event that District 100 is in any way dissatisfied with the SRO assigned to District 100, or if District 100 feels that the assigned SRO has in any way acted in an improper manner, District 100 shall immediately notify the Chief of Police or his designee. District 100 shall not take any unilateral action with regard to the assigned SRO. The Chief of Police and District 100 shall coordinate an effective response and solution to District 100's concerns. In the event that District 100 and the Chief of Police conclude that an alternative SRO should be assigned, District 100 agrees and understands that it may take a period of time to train the new SRO and staff the position.

4. TIME OF PERFORMANCE:

The SRO shall be available for school purposes during school hours and at school sponsored events as follows:

- A. On all student attendance days from 8:00 a.m. to 3:30 p.m.
- B. At all other school sponsored functions as requested by the Schools' Principals: regularly scheduled home football games; home football playoff games; homecoming activities, within City boundaries; selected home boys or girls basketball or wrestling; IHSA contests hosted at the Schools; other school dances; senior activities – graduation; and other school functions as needed.
- C. City and District 100 agree that the SRO shall only be assigned to the Schools and events identified above which are located within the corporate limits of the City.
- D. City and District 100 agree that the City Police Department may withdraw the SRO as needed on an emergency basis to assist with emergencies within or outside of the City.

5. COMPENSATION:

- A. District 100 shall pay the City an annual sum for the services of the SRO. The Compensation shall equal 70% of the average City patrol officer's compensation package including, but not limited to, employer contributions for Worker's Compensation, pension plans and health insurance. For purposes of calculating the Compensation, the average patrol officer's salary shall be calculated utilizing the City's fiscal year.
- B. Payment of the Compensation amount shall be made in ten (10) equal monthly installments, on the 15<sup>th</sup> day of each month, commencing in August of each year and terminating in May.
- C. If the City provides an SRO on an overtime basis at school functions as required under Section IV or upon request by District 100, District 100 shall pay to the City the actual assigned officer's rate of overtime pay as determined by the CBA between the City and the Fraternal Order of Police then in effect, or such amount as the parties may agree to in writing.

6. SERVICES TO BE SUPPLEMENTAL:

The parties agree that the services provided by this Agreement are in addition to general police services provided by the City in the regular course of operating its Police Department.

7. MISCELLANEOUS:

- A. This Agreement embodies the entire agreement between the parties with respect to the provision of the SRO. No extension or amendment of this Agreement shall be made or claimed by any party to have any force or effect whatsoever, unless such extension or amendment shall be set forth in writing and signed by all the parties hereto.
- B. This Agreement may be executed in separate counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.
- C. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.
- D. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to conflicts of law rules. If any provision of this Agreement is deemed invalid by a court of competent jurisdiction, such invalidation shall not render invalid any other provisions of this Agreement which can be given effect without the invalid provision.
- E. The parties agree that any action brought under or relating to this Agreement shall be brought in the 17<sup>th</sup> Judicial Circuit, Boone County, Illinois and the parties hereby submit to the jurisdiction of and venue in that Court.

8. EFFECTIVE DATE:

This Agreement shall take effect on \_\_\_\_\_ and shall remain in effect for a period of three (1) year from that date. Either party may cancel this Agreement at any time prior to the expiration of the Agreement with sixty (60) days advance written notice of cancellation.

9. NOTICE:

Any notice required or given under this Agreement shall be given in writing and shall either be hand delivered or delivered through the U.S. Mail, postage prepaid, to the recipient at its formal administrative office. Any notice sent to the City shall be addressed to the Mayor with copies to the Chief of Police and the City Attorney. Any notice to District 100 shall be addressed to the Superintendent of Schools with copy to the Principals of the Schools.

IN WITNESS WHEREOF, the undersigned duly authorized representatives of the City and District 100 have caused this Agreement to be executed.

## Memorandum

<b>From:</b>	Chief Schadle	<b>Today's Date:</b>	July 20, 2022
<b>To:</b>	Mayor and Council	<b>Subject:</b>	

Mayor and Council,

In February of 2022, General Mills awarded the fire department with a grant for the purpose of providing equipment and supplies to help mitigate hazardous materials incidents, and an electronic sign at Station 2. On March 7<sup>th</sup>, 2022, city council approved the acceptance of a \$20,000 Public Safety Grant from General Mills.

Due to the cost of the electronic sign being estimated at \$30,000, and the limited reach of the sign at that location, I have decided to not move forward with the sign project.

I have reached out to Jeremy Johnson, the grant administrator at General Mills, have gotten his approval to utilize the remaining grant money to send two firefighters to become certified Hazardous Material Technicians.

Included in your packet are quotes for various hazardous materials incident mitigation supplies and equipment totaling \$8,237.31, and the estimated cost of sending two firefighters to become certified Hazardous Material Technicians is \$11,600 including tuition and overtime.

I am requesting a motion from council for approval to purchase hazardous materials supplies and equipment for \$8,237.31, and to send two firefighters to Hazardous Material Technician class for \$11,600 to be paid for by the General Mills Public Safety Grant.

Respectfully Submitted,

Chief Shawn Schadle

Great thank you,

Last year we were awarded the attached grant. First of all, thank you for your support, partnership, and commitment to the community. It is much appreciated. We are getting updated quotes to purchase items approved by the grant. Part of the grant was allocated for an automated electronic sign outside of Station 2. Due to the cost of the sign far exceeding the available funds and the limited usefulness of a sign at that location, I have decided not to move forward with the sign project. Therefore, there will be approximately between \$8-10K left over after the purchase of the granted HazMat Equipment. Would it be acceptable to you for us to utilize the remaining funds to send 2 members to become Hazardous Materials Technicians? This is an 80 hour state certification class. Once trained, the members would be able to help mitigate and hazardous material incidents at your facility, or elsewhere in the community.

Respectfully,

## Memorandum

<b>From:</b>	Chief Schadle	<b>Today's Date:</b>	July 25th, 2022
<b>To:</b>	Mayor and Council	<b>Subject:</b>	Extrication Equipment

Dear Mayor and Council,

I am requesting approval to replace our frontline existing hydraulic cutter and spreader that is currently mounted on 102. This cutter and spreader will be the extrication tools on the new engine when it arrives this winter. We have anticipated this purchase and we have budgeted \$19,668 for this purchase as a capital expenditure.

The current unit on 102 is hydraulically operated and has permanently mounted hose reels. The hydraulic pump and ram are 36 years old. The spreader tool is 26 years old and the cutter is 20 years old.

The new extrication tools are exactly similar to the ones purchased in 2017 that are in use on 101. They are battery operated, and therefore are not connected to the engine by hose reels. In addition to the increased portability, they have significantly improved cutting and spreading capabilities.

I have received the following bids for the new tools:

- **Air One** - Hurst SP555E2, S788E2 and power supply adapter \$21,045.00
- **MacQueen** - Hurst SP555E2, S788E2 and power supply adapter \$19,093.00
- **Bergeron/Curtis** - Hurst SP555E2, S788E2 and power supply adapter \$28,019.00

I am requesting a motion from council to accept the low bid from MacQueen for the purchase of the Hurst SP555E2, S788E2 and power supply adapter for \$19,093.00 to be paid for out of the Capital Fund.

Respectfully Submitted,

Chief Shawn Schadle

## Memorandum

<b>From:</b>	Chief Schadle	<b>Today's Date:</b>	July 25th, 2022
<b>To:</b>	Mayor and Council	<b>Subject:</b>	Master Streams

Dear Mayor and Council,

Our new engine that is being built does not come with a master stream deck gun or portable ground monitor (portable master stream). The 2% fund board has approved splitting this expense.

In your packet, you will find a quote for these items from Air One equipment totalling \$5,314.00.

I am requesting a motion from council for approval to purchase from Air One, Task Force Tips monitor, stacked tips, and Blitzfire portable master stream with \$2,657 to be paid for by line item 01-5-220-8200 and \$2,657 to be paid for by the 2% fund.

Respectfully Submitted,

Chief Shawn Schadle
