RE: Request for Extension to Special Use Permit #2018-15; 825 N. Appleton Road  
(Conservation District Solar Farm)

Dear Ms. DelRose,

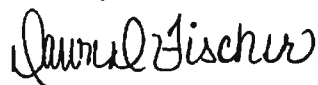

In response to your letter dated August 11, 2022, Ameresco is submitting this formal request for an extension to our Special Use Permit (SUP#2018-15) for the proposed adaptive reuse of the Boone County Conservation District Landfill for a ballasted, solar project.

There are two primary reasons for the delay in moving forward with construction on the proposed project:

1. There were funding constraints under the 2016 Future Energy Jobs Act (FEJA) preventing this project from moving forward under the Illinois Power Agency (IPA) programs. However, new legislation was passed in September 2021 called the Climate and Equitable Jobs Act (CEJA) with the intent to solve the funding issues and enable more renewable energy development in Illinois. The rule making associated with CEJA was just completed in July 2022 with applicable programs re-opening this fall.
2. There is a restrictive covenant associated with this property that must be addressed prior to receiving Illinois Environmental Protection Agency (IEPA) approval for installation of the solar project. The restrictive covenant includes several parties, which has created a challenge in furthering project development. Ameresco is dedicated to working toward a release of this restrictive covenant but requires more time than anticipated to contact each party and request their release.

Our team remains committed to advancing this project and in order to submit this project to the IPA for consideration, we are required to have an active Special Use Permit. Upon review of our request, please let us know if there are any further needs in consideration of our extension to SUP #2018-15.

Sincerely,

Dawn D. Fischer  
Director, Solar & Microgrid Project Development  
Ameresco Inc.

# Memo

**To:** Mayor and City Council  
**From:** Brent Anderson, Director of Public Works  
**Date:** 10/5/2022  
**Re:** Replacement of Water Department 2005 Ford F250 Pickup Truck #3054

---

The water department equipment replacement schedule includes replacement of our 2005 Ford F250 pickup truck in fiscal year 2024. Unfortunately, the box has rusted so bad that it is about to fall apart.

The current water and sewer budget included \$120,000 for the purchase of a mini-excavator and trailer of which we spent \$95,506.00, leaving an unexpended balance of \$24,494.00.

Belvidere Motors has a 2015 Ford F350 Super Duty Pickup Truck with a utility box and a Tommy Lift. It is a one owner truck with 118,866 miles and can be purchased for \$26,800.00. A new comparable truck will be in the \$50,000 - \$60,0000 range.

Based on the current condition of Truck #3054; the planned replacement of this truck in less than a year and the availability of a used comparable truck locally, I would recommend the purchase of the 2015 Ford F350 pickup truck from Belvidere Motors at the cost of \$26,800.00. This vehicle will be paid for from the Water Depreciation Fund (#04-09) which has a current balance of approximately \$952,000.

# Memo

**To:** Mayor and City Council  
**From:** Brent Anderson, Director of Public Works  
**Date:** 10/5/2022  
**Re:** RAS #2 Pump Replacement - WWTP

---

There are three Return Activated Sludge (RAS) pumps at the WWTP that continuously move the sludge throughout the plant processes. RAS pump #2 is down and we have received the following proposals to repair and/or replace the pump:

Illinois Pump, Inc	\$29,786.00 to rebuild the existing pump
1801 Winnetka Circle	\$53,218.00 for a new pump
Rolling Meadows, IL 60008	

LAI Ltd	\$48,000.00 for a new pump
5400 Newport Drive, Suite 10	
Rolling Meadows, IL 60008	

Illinois Pump is the local authorized WEMCO pump repair facility and our RAS pumps are WEMCOS. The WEMCO pumps were designed for worst case scenario conditions and as such, are not as efficient during normal flow conditions. LAI has quoted a Hidrostal pump which has been sized for normal flow conditions.

Based on the better efficiency of the Hidrostal pump and the relatively high cost to rebuild the existing pump, I would recommend approval of the proposal from LAI, Ltd, in the amount of \$48,000.00, for the replacement of RAS pump #2. This work will be paid for from the plant depreciation fund.

# Memo

**To:** Mayor and City Council  
**From:** Brent Anderson, Director of Public Works  
**Date:** 10/6/2022  
**Re:** Sewer Service Camera Replacement

---

Our current sewer service camera is fifteen years old and no longer able to record video. Our current budget includes \$17,000 for replacing this camera. We have received the following proposals for a new sewer service camera:

- |   |             |
|---|-------------|
| 1. R.N.O.W. Inc<br>8636R West National Avenue<br>West Allis, WI 53227 | \$7,442.00  |
| 2. Allan J. Coleman Co<br>5725 N Ravenswood Ave<br>Chicago, IL 60660  | \$12,750.31 |
| 3. Jensen Equipment Co<br>P.O. Box 607<br>Pewaukee, WI 53072          | \$18,407.15 |

I would recommend approval of the proposal from RNOW, Inc to purchase an Insight Vision sewer inspection camera to replace our existing unit, in the amount of \$7,442.00. This work will be paid for from the sewer depreciation account.

## PRODUCT OVERVIEW

The Opticam 2017 system has fully-loaded features to assist users with sewer inspections. The user-friendly keypad has been redesigned with an easy "On Demand" recording and snapshot button to help speed up inspection time. Technicians can easily record vital inspection data and client information using the available on-screen text-writer and footage counter. Built with a 1.3" modular, self-leveling camera head that is geared to inspect sewer pipes from 3" up to 12" inch diameter and a built-in sonde which broadcasts a 512 Hz frequency which is locatable with a 512 Hz locator.

Terms and Conditions: Make orders payable to Alliance Technology, LLC, 600 Dekora Woods Blvd., Saukville, WI 53080. Wire transfer, check, Visa, MasterCard, Amex (+2%) accepted. Payment in full is required prior to shipment. F.O.B Saukville, WI. All prices quoted in U.S. dollars and valid for 30 days and do not include duties and applicable taxes. One (1) Year Limited Warranty.

## FEATURES AND BENEFITS

### NEW MOBILE PHONE APP

Download Insight Vision App to an Android or Apple phone.

### Wi-Fi Video Streaming App

View, record, snapshot and share inspection videos.

### One-Touch Recording and Snapshot

Record and take pictures during an inspection.

### Keypad and On-Screen Text Enable

Type in vital information to display and record on video.

### Built-in Microphone and Speaker

Record voiceover video and play it back.

### On-Screen Footage Counter

View the distance pushed and display on screen.

### Built-in 512 Hz Frequency Sonde

Broadcast a 512hz signal to be locatable with a 512hz locator.

### Optional External Battery Power Back

Power up the system for up to 6 hours on a full charge.

FROM: Chief Shane Woody

DATE: October 10, 2022

RE: Request to Accept and Use Donation

The Belvidere Police Department is requesting to accept a donation from Gordon and Linda Neese in the amount of \$1,500. The Neese family have been donating to the Belvidere Police Department for years which has allowed the Police Department to purchase needed equipment and supplies.

If approved, I would request to use this donation for the purchase of a new Apple Ipad Air computer and accessories. The current mobile laptop computer I am using is approximately 8 years old and according to IT no longer is compatible with the operating system necessary to provide it with virus protection and updates.

I use this mobile computer for accessing my desktop at work for meetings away from the office or fielding questions or concerns from the public, alderman, or the media while away from the officer or at home.

**Motion:**

- 1. To accept the \$1,500 check #601921325 donated from Gordon and Linda Neese to the Belvidere Police Department.**
- 2. To approve using the \$1,500 Gordon and Linda Neese donation to purchase an Apple iPad Air, Keyboard, and stylus in the amount of \$1,277.54.**

**RESOLUTION #**

**RESOLUTION URGING THE REPEAL OR AMENDMENT OF  
THE SAFE-T ACT**

WHEREAS, the City of Belvidere has an obligation to provide for the safety and welfare of its citizens; and

WHEREAS, the “SAFE-T ACT”, passed in the pre-dawn hours of a “lame duck” session of the Illinois General Assembly, will result in more than half of the current detainees in the Boone County Jail being released back into the community; and

WHEREAS, the “SAFE-T ACT” eliminates cash bail and strips the judiciary of their ability to “balance the rights of the accused to be free on bail against the rights of the public to receive reasonable, protective consideration by the courts”; and

WHEREAS, the “SAFE-T ACT” makes entire categories of serious crimes, including, but not limited to, Aggravated Battery, Robbery, Burglary, Hate Crimes, Aggravated DUI’s, Reckless Homicide, Armed Habitual Criminal, Drug Induced Homicide, and all drug offenses including Delivery and Trafficking of Fentanyl, ineligible for pretrial detention, despite the severity of the crime, unless the People prove by clear and convincing evidence that the defendant has a high likelihood of flight to avoid prosecution or they are a specific immediate threat to an individual or the community (a very high burden to prove); and

WHEREAS, the “SAFE-T ACT” creates an unreasonable higher legal standard for pretrial detention in forcible felonies such as murder and armed robbery; and

WHEREAS, the City Council of the City of Belvidere believes that this law puts the public in danger by prohibiting detention of dangerous criminals and will discourage victims from cooperating with law enforcement due to fear of retaliation by offenders immediately released back into society.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Belvidere, Illinois that the “SAFE-T ACT” should be immediately repealed.
