11. DISCLAIMERS, LIMITATIONS OF LIABILITY AND DISPUTE RESOLUTION

- a. Each Party acknowledges that the liability limitations and warranty disclaimers in the Agreement are independent of any remedies hereunder and shall apply regardless of whether any remedy fails of its essential purpose. Client acknowledges that the limitations of liability set forth in this Agreement are integral to the amount of consideration offered and charged in connection with the Services and that, were EMS|MC to assume any further liability other than as provided in the Agreement, such consideration would of necessity be set substantially higher.
- b. EMS|MC and Client acknowledge and agree that despite their best efforts, billing errors may occur from time to time. Each party will promptly notify the other party of the discovery of a billing error. EMS|MC's sole obligation in the event of a billing error will be to correct the error by making appropriate changes to the information in its system, posting a refund if appropriate, and re-billing the underlying claim if permissible.

All amounts that may be potentially awarded against a party in connection with a Claim are included in and subject to the Liability Cap and shall not cause the Liability Cap to be exceeded, including, without limitation, all direct compensatory damages, interest, costs, expenses, and attorneys' fees. Provided, however, that nothing in the foregoing shall be construed as an admission of liability by either party in any amount or as a waiver or compromise of any other defense that may be available to a party regarding any Claim.

- e. To the fullest extent allowed by law, and notwithstanding any statute of limitations, statute of repose, or other legal time limit to the contrary, no Claim shall be brought by a party against the other party for an alleged breach of this Agreement after the earlier of the following to occur (the "Claim Time Limit"): (i) the time period for bringing an action under any applicable state or federal statute of limitations; one (1) year after the date upon which the claiming party discovered, or should have discovered, the facts giving rise to an alleged breach claim; or (ii) two (2) years after the first act or omission giving rise to an alleged breach claim. Any Claim not brought within the Claim Time Limit is waived.
- f. To the fullest extent allowed by law, EMS|MC and Client waive claims against each other for consequential, indirect, incidental, special, punitive, exemplary, and treble damages, and for any other damages in excess of direct, compensatory damages including, but not limited to, loss of profits, loss of data, or loss of business, regardless of whether such claim or matter is denominated as a contract claim, tort claim, warranty claim, indemnity claim, statutory claim, arbitration demand, or otherwise, even if a party has been apprised of the possibility or likelihood of such damages occurring (the "Non-Direct Damages Waiver").
- g. Indemnification. It is expressly understood and agreed that each Party, to the extent permitted by law, shall in all events defend, indemnify, save, and hold harmless the other, their parents, affiliates, successors and assigns, elected and appointed officials, and their respective present and former agents, officers, volunteers, elected and appointed officials, and employees from any and all claims, liabilities, obligations, debts, charges, settlements or judgments (including reasonable attorneys' fees) arising from death, illness, physical injuries, property damage, or monetary losses to any third Party, provided that no Party shall have any obligation under this Article with respect to liabilities caused by the gross negligence, reckless, fraudulent or deliberately dishonest conduct, or intentional misconduct of the Party seeking indemnification. Neither Party shall be obligated to indemnify the other Party for any claim or liability under this subsection: (a) involving a claim by one Party against the other Party; or (b) to the extent prohibited by

law. No Party being indemnified shall settle or compromise any claim subject to indemnification hereunder without the consent, of the Party providing such indemnification. The limitations contained in Section 11(d) or 11(e) of this Agreement shall not apply to this subsection.

h. Notwithstanding the foregoing, nothing contained within this Agreement is intended to be a waiver or estoppel of either party or their respective insurer's ability to rely upon the limitations, defenses and immunities contained within Illinois law, including, but not limited to Illinois Local Government Tort Immunity Act. To the extent that indemnification is available and enforceable, the Parties or their respective insurers shall not be liable to in indemnity or contribution for an amount greater than the limits of liability for claims established by law. Each Party's obligation to indemnify hereunder is subject to the availability and limits of applicable insurance coverage. The limitations contained in Section 11 of this Agreement shall not apply to this subsection.

I. DEFINITIONS

Except as otherwise defined herein, any and all capitalized terms in this Addendum shall have the definitions set forth in the HIPAA Privacy and Security Rules. In the event of an inconsistency between the provisions of this Addendum and mandatory provisions of the HIPAA Privacy and Security Rules, as amended, the HIPAA Privacy and Security Rules in effect at the time shall control. Reg. 19006 on April 27, 2009 and in annual guidance published thereafter.

II. PERMITTED USES AND DISCLOSURES BY BUSINESS ASSOCIATE

- a. Business Associate may use or disclose Protected Health Information to perform functions, activities, or services for, or on behalf of, Covered Entity as specified in the Agreement or this Addendum, provided that such use or disclosure would not violate the HIPAA Privacy and Security Rules if done by Covered Entity. Until such time as the Secretary issues regulations pursuant to the HITECH Act specifying what constitutes "minimum necessary" for purposes of the HIPAA Privacy and Security Rules, Business Associate shall, to the extent practicable, disclose only Protected Health Information that is contained in a limited data set (as defined in Section 164.514(e)(2) of the HIPAA Privacy and Security Rules), unless the person or entity to whom Business Associate is making the disclosure requires certain direct identifiers in order to accomplish the intended purpose of the disclosure, in which event Business Associate may disclose only the minimum necessary amount of Protected Health Information to accomplish the intended purpose of the disclosure.
- b. Business Associate may use Protected Health Information in its possession for its proper management and administration and to fulfill any present or future legal responsibilities of Business Associate, provided that such uses are permitted under state and federal confidentiality laws.
- c. Business Associate may disclose Protected Health Information in its possession to third parties for the purposes of its proper management and administration or to fulfill any present or future legal responsibilities of Business Associate, provided that:

- 1. the disclosures are required by law; or
- 2. Business Associate obtains reasonable assurances from the third parties to whom the Protected Health Information is disclosed that the information will remain confidential and be used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party, and that such third parties will notify Business Associate of any instances of which they are aware in which the confidentiality of the information has been breached.
- d. Until such time as the Secretary issues regulations pursuant to the HITECH Act specifying what constitutes "minimum necessary" for purposes of the HIPAA Privacy and Security Rules, Business Associate shall, to the extent practicable, access, use, and request only Protected Health Information that is contained in a limited data set (as defined in Section 164.514(e)(2) of the HIPAA Privacy and Security Rules), unless Business Associate requires certain direct identifiers in order to accomplish the intended purpose of the access, use, or request, in which event Business Associate may access, use, or request only the minimum necessary amount of Protected Health Information to accomplish the intended purpose of the access, use, or request. Covered Entity shall determine what quantum of information constitutes the "minimum necessary" amount for Business Associate to accomplish its intended purposes.
- e. Business Associate may use Protected Health Information to de-identify such information in accordance with 45 C.F.R. § 164.514(b) for Business Associate's own business purposes or in connection with the services provided pursuant to the Agreement or to provide Data Aggregation services to Customer as permitted by 45 C.F.R. 164.504(e)(2)(i)(b). Once the Protected Health Information has been de-identified or aggregated, it is no longer considered Protected Health Information governed by this Addendum.

III. OBLIGATIONS AND ACTIVITIES OF BUSINESS ASSOCIATE

- a. Business Associate acknowledges and agrees that all Protected Health Information that is created or received by Covered Entity and disclosed or made available in any form, including paper record, oral communication, audio recording, and electronic display by Covered Entity or its operating units to Business Associate or is created or received by Business Associate on Covered Entity's behalf shall be subject to this Addendum.
- b. Business Associate agrees to not use or further disclose Protected Health Information other than as permitted or required by the Agreement, this Addendum or as required by law.
- c. Business Associate agrees to use appropriate safeguards to prevent use or disclosure of Protected Health Information other than as provided for by this Addendum. Specifically, Business Associate will:
- 1. implement the administrative, physical, and technical safeguards set forth in Sections 164.308, 164.310, and 164.312 of the HIPAA Privacy and Security Rules that reasonably and appropriately protect the confidentiality, integrity, and availability of any Protected Health Information that it creates, receives, maintains, or transmits on behalf of Covered Entity, and, in accordance with Section 164.316 of the HIPAA Privacy and Security Rules, implement and maintain reasonable and appropriate policies and procedures to enable it to comply with the requirements outlined in Sections 164.308, 164.310, and 164.312; and
- 2. report to Covered Entity any use or disclosure of Protected Health Information not provided for by this Addendum of which Business Associate becomes aware. Business Associate shall report to Covered Entity any Security Incident of which it becomes aware. Notice is deemed to have been

given for unsuccessful Security Incidents, such as (i) "pings" on an information system firewall; (ii) port scans; (iii) attempts to log on to an information system or enter a database with an invalid password or user name; (iv) denial-of-service attacks that do not result in a server being taken offline; or (v) malware (e.g., a worms or a virus) that does not result in unauthorized access, use, disclosure, modification or destruction of Protected Health Information.

- d. Business Associate agrees to ensure that any agent, including a subcontractor, to whom it provides Protected Health Information received from, or created or received by Business Associate on behalf of Covered Entity, agrees to the same restrictions and conditions that apply through this Addendum to Business Associate with respect to such information.
- e. Business Associate agrees to comply with any requests for restrictions on certain disclosures of Protected Health Information to which Covered Entity has agreed in accordance with Section 164.522 of the HIPAA Privacy and Security Rules and of which Business Associate has been notified by Covered Entity. In addition, and notwithstanding the provisions of Section 164.522 (a)(1)(ii), Business Associate agrees to comply with an individual's request to restrict disclosure of Protected Health Information to a health plan for purposes of carrying out payment or health care operations if the Protected Health Information pertains solely to a health care item or service for which Covered Entity has been paid by in full by the individual or the individual's representative.
- f. At the request of the Covered Entity and in a reasonable time and manner, not to extend ten (10) business days, Business Associate agrees to make available Protected Health Information required for Covered Entity to respond to an individual's request for access to his or her Protected Health Information in accordance with Section 164.524 of the HIPAA Privacy and Security Rules. If Business Associate maintains Protected Health Information electronically, it agrees to make such Protected Health Information available electronically to the applicable individual or to a person or entity specifically designated by such individual, upon such individual's request.
- g. At the request of Covered Entity and in a reasonable time and manner, Business Associate agrees to make available Protected Health Information required for amendment by Covered Entity in accordance with the requirements of Section 164.526 of the HIPAA Privacy and Security Rules.
- h. Business Associate agrees to document any disclosures of and make Protected Health Information available for purposes of accounting of disclosures, as required by Section 164.528 of the HIPAA Privacy and Security Rules.

Business Associate agrees that it will make its internal practices, books, and records relating to the use and disclosure of Protected Health Information received from, or created or received by Business Associate on behalf of, Covered Entity, available to the Secretary for the purpose of determining Covered Entity's compliance with the HIPAA Privacy and Security Rules, in a time and manner designated by the Secretary, subject to attorney-client and other applicable privileges.
- j. Business Associate agrees that, while present at any Covered Entity facility and/or when accessing Covered Entity's computer network(s), it and all of its employees, agents, representatives and subcontractors will at all times comply with any network access and other security practices, procedures and/or policies established by Covered Entity including, without limitation, those established pursuant to the HIPAA Privacy and Security Rules.
- k. Business Associate agrees that it will not directly or indirectly receive remuneration in exchange for any Protected Health Information of an individual without the written authorization of the individual or the individual's representative, except where the purpose of the exchange is:

- 1. for public health activities as described in Section 164.512(b) of the Privacy and Security Rules;
- 2. for research as described in Sections 164.501 and 164.512(i) of the Privacy and Security Rules, and the price charged reflects the costs of preparation and transmittal of the data for such purpose;
- 3. for treatment of the individual, subject to any further regulation promulgated by the Secretary to prevent inappropriate access, use, or disclosure of Protected Health Information;
- 4. for the sale, transfer, merger, or consolidation of all or part of Business Associate and due diligence related to that activity;
- 5. for an activity that Business Associate undertakes on behalf of and at the specific request of Covered Entity;
- 6. to provide an individual with a copy of the individual's Protected Health Information pursuant to Section 164.524 of the Privacy and Security Rules; or
- 7. other exchanges that the Secretary determines in regulations to be similarly necessary and appropriate as those described in this Section III.k.
- l. Business Associate agrees that it will not directly or indirectly receive remuneration for any written communication that encourages an individual to purchase or use a product or service without first obtaining the written authorization of the individual or the individual's representative, unless:
- 1. such payment is for a communication regarding a drug or biologic currently prescribed for the individual and is reasonable in amount (as defined by the Secretary); or
- 2. the communication is made on behalf of Covered Entity and is consistent with the terms of this Addendum.
- m. Business Associate agrees that if it uses or discloses patients' Protected Health Information for marketing purposes, it will obtain such patients' authorization before making any such use or disclosure.
- n. Business Associate agrees to implement a reasonable system for discovery of breaches and method of risk analysis of breaches to meet the requirements of HIPAA, The HITECH Act, and the HIPAA Regulations, and shall be solely responsible for the methodology, policies, and procedures implemented by Business Associate.
- o. State Privacy Laws. Business Associate shall understand and comply with state privacy laws to the extent that state privacy laws are not preempted by HIPAA or The HITECH Act.

IV. BUSINESS ASSOCIATE'S MITIGATION AND BREACH NOTIFICATION OBLIGATIONS

a. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of Protected Health Information by Business Associate in violation of the requirements of this Addendum.

- b. Following the discovery of a Breach of Unsecured Protected Health Information, Business Associate shall notify Covered Entity of such Breach without unreasonable delay and in no case later than forty-five (45) calendar days after discovery of the Breach. A Breach shall be treated as discovered by Business Associate as of the first day on which such Breach is known to Business Associate or, through the exercise of reasonable diligence, would have been known to Business Associate.
- c. Notwithstanding the provisions of Section IV.b., above, if a law enforcement official states to Business Associate that notification of a Breach would impede a criminal investigation or cause damage to national security, then:
- 1. if the statement is in writing and specifies the time for which a delay is required, Business Associate shall delay such notification for the time period specified by the official; or
- 2. if the statement is made orally, Business Associate shall document the statement, including the identity of the official making it, and delay such notification for no longer than thirty (30) days from the date of the oral statement unless the official submits a written statement during that time.

Following the period of time specified by the official, Business Associate shall promptly deliver a copy of the official's statement to Covered Entity.

- d. The Breach notification provided shall include, to the extent possible:
- 1. the identification of each individual whose Unsecured Protected Health Information has been, or is reasonably believed by Business Associate to have been, accessed, acquired, used, or disclosed during the Breach;
- 2. a brief description of what happened, including the date of the Breach and the date of discovery of the Breach, if known;
- 3. a description of the types of Unsecured Protected Health Information that were involved in the Breach, if known (such as whether full name, social security number, date of birth, home address, account number, diagnosis, disability code, or other types of information were involved);
- 4. any steps individuals should take to protect themselves from potential harm resulting from the Breach; and
- 5. a brief description of what Business Associate is doing to investigate the Breach, to mitigate harm to individuals, and to protect against any further Breaches.
- e. Business Associate shall provide the information specified in Section IV.d., above, to Covered Entity at the time of the Breach notification if possible or promptly thereafter as information becomes available. Business Associate shall not delay notification to Covered Entity that a Breach has occurred in order to collect the information described in Section IV.d. and shall provide such information to Covered Entity even if the information becomes available after the forty-five (45)-day period provided for initial Breach notification.

V. OBLIGATIONS OF COVERED ENTITY

a. Upon request of Business Associate, Covered Entity shall provide Business Associate with the notice of privacy practices that Covered Entity produces in accordance with Section 164.520 of the HIPAA Privacy and Security Rules [MDI].

- b. Covered Entity shall provide Business Associate with any changes in, or revocation of, permission by an individual to use or disclose Protected Health Information, if such changes affect Business Associate's permitted or required uses and disclosures.
- c. Covered Entity shall notify Business Associate of any restriction to the use or disclosure of Protected Health Information to which Covered Entity has agreed in accordance with Section 164.522 of the HIPAA Privacy and Security Rules, and Covered Entity shall inform Business Associate of the termination of any such restriction, and the effect that such termination shall have, if any, upon Business Associate's use and disclosure of such Protected Health Information.

VI. TERM AND TERMINATION

- a. Term. The Term of this Addendum shall be effective as of the date first written above, and shall terminate upon the later of the following events: (i) in accordance with Section VII.c., when all of the Protected Health Information provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity is destroyed or returned to Covered Entity or, if such return or destruction is infeasible, when protections are extended to such information; or (ii) upon the expiration or termination of the Agreement.
- b. Termination for Cause. Upon Covered Entity's knowledge of a material breach of this Addendum by Business Associate and Business Associate's failure to cure such breach within thirty (30) days of receiving notice of same from Covered Entity, Covered Entity shall have the right to terminate this Addendum and the Agreement.

c. Effect of Termination.

- 1. Except as provided in paragraph 2. of this subsection, upon termination of this Addendum, the Agreement or upon request of Covered Entity, whichever occurs first, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Business Associate. Neither Business Associate nor its subcontractors or agents shall retain copies of the Protected Health Information.
- 2. In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make return or destruction infeasible and shall extend the protections of this Addendum to such Protected Health Information and limit further uses and disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

VII. MISCELLANEOUS

- a. **No Rights in Third Parties**. Except as expressly stated herein, the Parties to this Addendum do not intend to create any rights in any third parties.
- b. **Survival**. The obligations of Business Associate under Section VII(c) of this Addendum shall survive the expiration, termination, or cancellation of this Addendum, the Agreement, and/or the business relationship of the parties, and shall continue to bind Business Associate, its agents, employees, contractors, successors, and assigns as set forth herein.

- c. Amendment. This Addendum may be amended or modified only in a writing signed by the Parties. The Parties agree that they will negotiate amendments to this Addendum to conform to any changes in the HIPAA Privacy and Security Rules as are necessary for Covered Entity to comply with the current requirements of the HIPAA Privacy and Security Rules. In addition, in the event that either Party believes in good faith that any provision of this Addendum fails to comply with the then-current requirements of the HIPAA Privacy and Security Rules or any other applicable legislation, then such Party shall notify the other Party of its belief in writing. For a period of up to thirty (30) days, the Parties shall address in good faith such concern and amend the terms of this Addendum, if necessary to bring it into compliance. If, after such thirty (30)-day period, the Addendum fails to comply with the HIPAA Privacy and Security Rules or any other applicable legislation, then either Party has the right to terminate this Addendum and the Agreement upon written notice to the other party.
- d. **Independent Contractor**. None of the provisions of this Addendum are intended to create, nor will they be deemed to create, any relationship between the Parties other than that of independent parties contracting with each other solely for the purposes of effecting the provisions of this Addendum and any other agreements between the Parties evidencing their business relationship.
- e. **Interpretation**. Any ambiguity in this Addendum shall be resolved in favor of a meaning that permits Covered Entity to comply with the HIPAA Privacy and Security Rules.
- f. Certain Provisions Not Effective in Certain Circumstances. The provisions of this Addendum relating to the HIPAA Security Rule shall not apply to Business Associate if Business Associate does not receive any Electronic Protected Health Information from or on behalf of Covered Entity.
- g. **Ownership of Information**. Covered Entity holds all right, title, and interest in and to the PHI and Business Associate does not hold and will not acquire by virtue of this Addendum or by virtue of providing goods or services to Covered Entity, any right, title, or interest in or to the PHI or any portion thereof.
- h. **Entire Agreement**. This Addendum is incorporated into, modifies and amends the Agreement, inclusive of all other prior amendments or modifications to such Agreement. The terms and provisions of this Addendum shall control to the extent they are contrary, contradictory or inconsistent with the terms of the Agreement. Otherwise, the terms and provisions of the Agreement shall remain in full force and effect and apply to this Addendum.

IN WITNESS WHEREOF, the Parties have executed this Addendum as of the day and year written above.

Each person whose signature appears hereon represents, warrants and guarantees that he/she has been duly authorized and has full authority to execute this Agreement on behalf of the party on whose behalf this Agreement is executed.
