# Fiscal Year 2022 Budget Highlights

The City of Belvidere is fortunate that the effects of the 2020/2021 pandemic have been minimal to the City to date. The City has been carefully watching the revenues coming in and have been extremely mindful in spending throughout this unprecedented time. The City of Belvidere received \$1,055,000 in Federal grant money to alleviate some stress on the budget caused by shortfalls in revenues and expenses related to Covid-19. On March 11, 2021 President Biden signed the American Rescue Plan which includes direct stimulus payments to local governments. It is anticipated that the City of Belvidere will receive \$3,106,000 in stimulus funding, however the timing of this is unknown. Below are some of the most important revenues for the City and how they are performing since the pandemic.

#### Revenues

- Local Motor Fuel Tax- In 2018 the City passed an ordinance which created a 2 cent local motor fuel tax to help pay for infrastructure projects. This tax went into effect on September 1, 2018 and generates close to \$600,000 annually. Although gas stations remained open throughout the pandemic, the number of people working from home and traveling less has impacted the number of gallons purchased. This revenue was down 16% during FY 2021 and it is anticipated to still be affected in FY 2022.
- Home Rule Sales Tax- In 2018 the City passed an ordinance which created a .50% Home Rule Sales Tax to help pay for infrastructure projects and rising pension costs. This increase went into effect January 1, 2019 and took the sales tax rate from 7.75% to 8.25% within the municipal boundaries of the City. This tax has been generating over 1.1 Million in revenue annually, however was down almost 7% during FY 2021 due to the pandemic. It is anticipated that this revenue will still be affected in FY 2022.
- The Municipal Sales Tax accounts for 19% of the General Fund Revenues and is extremely important to
  efficiently operate the City. This revenue source was slightly affected during the shut-down months of
  the pandemic but it has rebounded since that time. Projections indicate the sales tax will be stable for
  FY 2022.
- The Income Tax is another very important revenue source and currently accounts for 14% of the total General Fund revenues. This is a tax distributed to the different government entities by the State based on per capita (population). We anticipated that this revenue source would be severely impacted by Covid-19 however it was not. Taxes are still paid on unemployment and most people with higher paying jobs continued to work through the pandemic. This revenue should continue to perform strong in FY 2022.

Video Gaming Tax- The City receives 5% of the video game terminal income on a monthly basis. The
gaming establishments were closed at different times throughout the pandemic which significantly
affected this revenue source. Gaming revenue was down 36% from what was budgeted for FY 2021.
 We project gaming revenues to be back to "normal" for FY 2022 as long as there are no more
shutdowns.

#### Other Revenues

- Property Tax- The City Council voted to NOT increase property taxes during the December 2020 Levy process therefor the property taxes for the City remain status quo. The Levy has not been increased since December 2017. The Property Tax accounts for 28% of the General Fund Revenues.
- Cannabis Tax- Cannabis became legal in Illinois on January 1, 2020. Although the City of Belvidere does
  not have a dispensary or sell marijuana, the City still receives Local Government Distribution Tax (per
  capita) on the 7% cultivation tax that is collected by the state. Local Governments receive 8% of that
  tax, which generated about \$21,000 in revenue for FY 2021. We will continue to watch this revenue
  source as sales increase and additional dispensaries are added.
- Gas Utility Tax- The City has had a Gas Utility Tax in place for almost 20 years however, it was
  discovered that there was a loophole and many customers (mainly industries) were not having to pay
  the tax on their utility bill because their gas supplier was located outside of Illinois. In March 2020 the
  City Council passed an ordinance closing that loophole, which is generating an additional \$700,000+
  annually from the Municipal Gas Utility Tax.
- Local Use Tax- The Local Use Tax has grown significantly over the last decade. This tax includes items purchased outside of Illinois, which is used within the jurisdiction and would have been subject to sales tax if it had been purchased within the state. The state collects this and distributes the City's share on a per capita basis. The increase is due to online sales and the adoption of the Illinois Marketplace Fairness Act that allows states to require certain out-of-state sellers to collect Illinois 6.25% Use Tax which became effective October 1, 2018. Effective January 1, 2021, marketplace facilitators are required to collect state and locally-imposed sales tax instead of the 6.25% Use Tax on online purchases from sellers based on where the product is delivered. It is anticipated this revenue will be over \$1,100,000 for FY 2022. The changes that are taking place in 2021 will shift some of these revenue to Sales Tax but for now we are budgeting the revenues under the Local Use Tax.

#### **Capital Expenditures**

• The city has budgeted \$1,670,000 in General Fund money for infrastructure projects plus an additional \$2,786,152 in Motor Fuel Tax dollars.

#### Projects include:

- Parking Lot #5 Rehab (\$70,000)
- Appleton Road Widening (\$1.5 Million)
- Implementation of Storm Water Utility (\$100,000)
- Logan Avenue Construction (\$2 Million-total project cost- Note: \$1,686,152 of this expense is paid with Rebuild Illinois funding and the remainder paid with regular MFT funds)
- An additional \$800,000 has been budgeted for street overlays and pavement striping using Motor Fuel Tax dollars.
- The city has budgeted \$459,460 in capital expenditures. Items include:
  - Utility Truck- Street Dept. (\$155,000)
  - Extrication Equip- Fire Dept. (\$19,668)
  - Fire Engine (\$68,828 6th year of 7-year lease)
  - Motorola Portable Radios- Fire Dept. (\$11,827)
  - Station 1 Roof Restoration- Fire Dept. (\$25,000)
  - Motorola Mobile Radio-Ladder 150 (\$6,636)
  - (4) Vehicles and equipment—Police Dept. (\$172,500)

#### Salaries and Personnel

All union contracts were negotiated and settled for 4 years (May 1, 2018-April 30, 2022). Non-union employees received 2.0% for FY 2022. The Fire Department has budgeted to hire 2 full-time Fire Fighters and the Police Department has budgeted to hire 1 full-time police officer and 1 part-time Community Service Officer however, due to the uncertainty brought about by Covid-19, these hires will not take place until the City Council deems financially appropriate.

#### **Pensions**

- Police and Fire Pension costs continue to rise. The city will spend \$1,545,285 to the Police Pension and \$1,238,702 to the Fire Pension in FY 2022. That is a 9% increase over FY 2021. Although Police and Fire Pension reform is underway it will be years before the City starts to see any relief from this expense.
- The Illinois Municipal Retirement Fund (IMRF) is the most stable public pension plan in Illinois and is 93.6% funded on an actuarial basis. This plan is not funded or administered by the State of Illinois. All employees, besides police and fire, fall into this retirement plan. The employer contribution rate for calendar year 2020 was 11.32% and the contribution rate for 2021 is 10.70%.

#### **Health Insurance**

• Health Insurance costs decreased 2.0% this year. On January 1, 2021 the employees that are enrolled in the City health insurance plan started to pay 14% of the premium cost rather than 12%. The City continues to be partially self-funded with Blue Cross Blue Shield. All eligible employees are offered health insurance through the City's Blue Cross Blue Shield plan. Public Works employees receive health insurance through their union (Midwest Operating Engineers) however the City pays 100% of the cost.

PLANNING DEPARTMENT

401 WHITNEY BLVD. SUITE 300 BELVIDERE, IL 61008 \* PH (815)547-7177 FAX (815)547-0789

The mission of the Department of Community Development is to implement a vision of balanced and intelligent growth for the City of Belvidere through effective measures of planning, design review, construction plan approval, and code compliance to preserve and enhance the quality of life for the residents of the City of Belvidere. We communicate that vision to the citizens while engaging the public and promoting community spirit by assisting with festivals, community activities and events.

## 2020/2021 Accomplishments

- 1. Maintained an efficient office environment
- 2. Continued serving as planning consultants for the Village of Poplar Grove
- 3. Continued updating of planning files and linking to GIS
- 4. Continued scanning plats for county clerk's office, and plans for the general public
- 5. Participated in the planning and execution of Buchanan Street Strolls and Hometown Christmas
- 6. Provided a good level of health and safety for all Belvidere residents
- 7. Continued effort to build and maintain relationships with local business owners and developers
- 8. Assisted with the 2020 Census
- 9. Completed the ISO review.
- 10. Continued all Department responsibilities while adhering to Covid-19 restrictions and recommendations. Including improving electronic communication and payment options in order to serve the public better.
- 11. Assisted in responding to business needs and questions regarding impacts of Covid-19.

### **2021/2022 Objectives**

- 1. Continue cross-training of staff for a more efficient department
- 2. Continue to process planning, zoning and subdivision applications as well as Zoning Ordinance text amendments for the City of Belvidere
- 3. Work closely with Growth Dimensions for economic development
- 4. Continue participation in the planning and execution of Heritage Days, Buchanan Street Strolls, Chili Cook-off and Hometown Christmas
- 5. Continue working with and developing the Belvidere Historic Preservation Commission
- 6. To have an IASFM certified Floodplain manager on staff
- 7. To continue working relationships with the Fire Department, Public Works, Police Department, County Health Department, County Administration, Design Professionals and property owners
- 8. Continue the effort to build and maintain relationships with local business owners and developers

The Department of Community Development currently operates with four full-time personnel and two part-time personnel.
