Memorandum

From:	Chief Schadle	Today's Date:	02/09/2024
To:	Mayor and Council	Subject:	AFG Grant Radio Procurement

Dear Mayor and Council,

On behalf of all four fire departments in Boone County, the City of Belvidere did a request for proposal (RFP) for radios and equipment that will be supplied 90% by a FEMA regional communications grant. Three vendors responded to the RFP. Rock River Services (Motorola), Gencomm (Harris), and Bandt Communications (Kenwood). The RFP included radios for demo purposes. All the radios were tested by representatives of all four departments. Based on the results of the demonstrations, all four agencies recommend the purchase of the Motorola 8000 XE dual band radios.

These radios were selected because of the performance, reputation, and feel of the Motorola radios. Additionally, Motorola will be providing free airtime for five radios per department for two years (value of approx. \$23,000). The Harris XL 400 exceeded the maximum allotment per radio of \$9500 and was not a viable option.

In your packet is all the related information including the comparison spreadsheet, quotes, letters from the fire districts, and all the departments cost shares.

The total cost of the equipment is \$584,847.84.

\$526,363.06 will be provided by the AFG grant. \$58,484.78 is the associated cost share to be paid by each department specifically related to the equipment they will be receiving. City of Belvidere cost share is equal to \$12,069.10 and that was budgeted for and will be paid for out of the capital fund.

Therefore, I respectfully, request the following motion:

Motion to purchase 68 dual band radios and associated equipment as quoted by Rock River Service for \$584,847.84

Respectfully Submitted,

Chief Shawn Schadle

Re: StarCom Radios RFP Information

In response to your RFP, the short version is, you get what you pay for. Yes, Motorola is the most expensive, however you can't put a price on safety and reliability. We will be using this equipment for a very long time. The overall performance with Motorola is the best for the demonstrations. I personally am in favor of purchasing Motorola radios and equipment.

If you have any questions, please feel free to contact me at any time on my cell phone at 815-218-1790.

Sincerely,

Re: Radios to be purchased from Grant

Chief Schadle,

After talking with you and my Deputy Chief Jaeger about the test results of the radios that were tested from the three manufactures, I feel that buying the Motorola radios are the best option at this time. Thank you for your input and time spent testing the radios.

Sincerely,

Greg Holmes

Application for Belvidere Parade Permit

City of Belvidere

401 Whitney Blvd., Belvidere, IL 61008 (815)544-2612

To the City Council of the City of Belvidere, Illinois: The organizer(s) named in this application hereby apply to the Belvidere City Council for a permit to hold a parade or procession as specified below. I/we represent that the information stated in this application is true to the best of my/our knowledge, information and belief.

Name of Event: Special Olympics Athlete Parade

Name of event organizer: Aly Graham

Address 1006 W Lincoln Ave
Belvidere, IL, 61008

Phone Number (815) 547-5711

Email agraham@belviderepark.org

If the event is proposed to be conducted for, on behalf of, or by an organization, the name, address, telephone number of the local headquarters of the organization:

Belvidere Township Park District
1006 West Lincoln Avenue, Belvidere
815-547-5711 x 102

The name, address, telephone number of the person responsible for the conduct of the event if different from the organizer.

Same as above or
Katie Humphrey
6851 Revlon Drive, Belvidere
815-547-5711 x 600

The date when the event is to be conducted: Thursday, May 2, 2024

The hours when event will start and terminate: 5:30 pm - 6:00 pm

The route to be traveled, the starting point, and the termination point:

The route will go kick off at Pacemaker's parking lot and travel down Pearl Street, make a right on First Avenue and drop off participants at the Community Building.

Total number of participants expected: 65

Total number and type of anticipated floats:

10, multiple police cars, 2 park district vehicles, a flatbed truck, and 4 firetrucks

Total number and type of anticipated vehicles: 10

Total number and type of anticipated bands: 0

Total number and type of anticipated animals: 0

Number of spectators anticipated along route: 50

The time and location at which units of the event will begin to assembly: 5:00 pm at Pacemaker parking lot

Any special traffic, parking, or law enforcement problems anticipated (give details): The Police and Sheriff's Department are partners in this event. They are not going to shut down the streets with hard barricades for this event. It will run similar to last year's parade. No individuals will be walking; all people will be in or on vehicles.

The organizer(s) understands that they are responsible for the proper conduct of the parade or procession and agree to cooperate with all law enforcement personnel in conducting a safe, orderly and lawful parade or procession. They further understand that they and all participants and spectators will be subject to all applicable statutes, ordinances and official parade regulations.

Any person signing on behalf of an organization represents that he/she is authorized to sign this application on behalf of the organization.

To whom it may concern,

We are writing this correspondence to request temporary street closure for a series of upcoming events. Friday, May 31, Friday, June 21st, and Friday, July 26th between 4 – 8 pm we will be holding Buchanan Street Markets. The purpose of these events is to bring customer traffic to downtown businesses while also offering a fun event to Belvidere citizens. The request for temporary closure is to ensure the safety of the pedestrians participating in this event.

Our request is to temporarily close Buchanan St. from State Street to Main Street, as well as Whitney Blvd. Between the entrance to the west Municipal parking lot to the entrance of the parking lot west of Buchanan Street Pub. (please see the image below) on the following Fridays between 3 PM and 8:30 PM. The dates for these events are May 31, June 21st, and July 26th 2024.

We are also requesting large trash receptacles be placed in multiple locations along this path. Those locations are indicated on the map below with a green square.

Thank you for your consideration of this matter.

Respectfully,

Amy Nord, Executive Director

Lee Revels, Director of Marketing and Member Support

To whom it may concern,

We are writing this correspondence to request temporary street closure for an upcoming event. Wednesday October 23th, from 4-7 PM we are holding a Downtown Business Trick or Treat event. Last year this event was very well received by the community with nearly 3,000 guests in our downtown area. The purpose of this event is to bring customer traffic to downtown businesses while also offering a fun event to Belvidere citizens. The request for temporary closure is to ensure the safety of the pedestrians participating in this event.

Our request is to temporarily close State St. from Lincoln Avenue to 1st Street., as well as Logan Ave between State St. and Main St. (please see the image below) on Wednesday, October 23th, 2023, between 3 PM and 7:30 PM.

We are also requesting large trash receptacles be placed in 6 locations along this path. Those locations are indicated on the map below with a green square.

Thank you for your consideration of this matter.

Respectfully,

Amy Nord, Executive Director

To whom it may concern,

We are writing this correspondence to request temporary street closure for an upcoming event. Friday, December 6, from 4-9 PM we are holding the annual Hometown Christmas event. Last year this event was very well received by the community with nearly 12,000 guests in our downtown area. The purpose of this event is to bring customer traffic to downtown businesses while also offering a fun event to Belvidere citizens. The request for temporary closure is to ensure the safety of the pedestrians participating in this event.

Our request is to temporarily close State St. from Lincoln Avenue to 1st Street., as well as Logan Ave between State St. and Main St. and 1st street from State to Garfield Ave. (please see the image below) on Friday, December 6, 2024, between 3 PM and 9:30 PM.

We are also requesting large trash receptacles be placed in 10 locations along this path. Those locations are indicated on the map below with a green square. The blue circles indicate locations where we will have rented port-a -potties for the event.

Thank you for your consideration of this matter.

Respectfully,

Amy Nord, Executive Director

BUILDING DEPARTMENT

PLANNING DEPARTMENT

401 WHITNEY BLVD. SUITE 300 BELVIDERE, IL 61008 * PH (815)547-7177 FAX (815)547-0789

To: Mayor and City Council

From: Kip Countryman, Director of Buildings

Date: 02/19/2024

RE: Habitat for Humanity

Attached is a request from the Habitat for Humanity for the Council's consideration to have the Building and Zoning permit fees waived for the demolition and construction of a new home at 1115 Garfield Ave. City Council has in the past approved this request.

The estimated fees for the permit to be waived will be 880.00.

If the Council is willing to proceed with this project, I would recommend that the Building and Zoning fees be waived for this project as has been done in the past.

**Kip Countryman
Director of Building**

Memo

To: Mayor and City Council
From: Brent Anderson, Director of Public Works
Date: 2/19/2024
Re: Water & Sewer Rate Review – FY 2025 Budget

The FY 2025 proposed budget projects a \$291,733 deficit in water and a \$306,436 deficit in sewer.

Currently, Belvidere's water and sewer rates are the lowest in the region. The average water and sewer bill for 6,000 gallons of water per month in our region is \$75.48. Belvidere's bill is \$41.12.

I would recommend a two-step increase in the water rate to overcome the projected deficit. The first step increase, in the amount of \$0.15/HCF would be effective April 1, 2024. The new rate of \$1.72/HCF represents a 9.6% increase and the average monthly bill would increase \$1.20 or \$0.04 per day. The second step increase, in the amount of \$0.15/HCF would be effective August 1, 2024. The new rate of \$1.87/HCF represents a 8.7% increase and the average monthly bill would increase \$1.20 or \$0.04 per day. Total proposed water rate increase would be \$28.80 per year for the typical household.

On the sanitary sewer side, I would recommend a three-step increase in the sewer rate to overcome the projected deficit and the required increase for repayment of the IEPA Wastewater Facilities Loan Project. The first step increase, in the amount of \$0.20/HCF, would be effective May 1, 2024. The new rate of \$2.96/HCF represents a 7.2% increase and the average monthly bill would increase \$1.60 or \$0.05 per day. The second step increase, in the amount of \$0.20/HCF, would be effective September 1, 2024. The new rate of \$3.16/HCF represents a 6.8% increase and the average monthly bill would increase \$1.60 or \$0.05 per day. The third step increase, in an amount to be determined based upon actual experience and the amount required by the IEPA Loan Project, would be effective December 1, 2024. Total proposed sewer increase for the first two steps would be \$38.40 per year for the typical household.
