Memo

From: Brent Anderson, Director of Public Works

Re: Street Department Equipment Purchases

The current Street Department capital budget included \$250,000 for the purchase of three pieces of rolling stock. That equipment has been purchased for the total cost of \$175,080.68. I would recommend that the remaining capital funds of \$74,919.32 be used to purchase the following needed equipment:

A) The end loader that was purchased did not include any attachments. A new plow and removable pusher box for alley snow removal is \$8,562.12 (quote attached).

I would recommend the purchase of a plow and pusher box from Bobcat of Rockford, in the amount of \$8,562.12.

B) The bat-wing mower that we received and rebuilt from the County several years ago has broke and is not repairable. We have received the following proposals for a replacement bat-wing mower:

1. Johnson Tractor 200 Steward Road Rochelle, IL 61068	Woods BW10.72	\$22,585.00
2. Meridian Implement 1011 South Meridian Road Rockford, IL 61102	Woods BW10.72	\$22,900.00
3. Bobcat of Rockford 5925 Wheeler Road Cherry Valley, IL 61016	Woods BW10.72 Land Pride RCB5710	\$24,589.00 \$24,601.24

I would recommend the purchase of a bat-wing mower from Johnson Tractor, in the amount of \$22,585.00.

Both of these pieces of equipment will be paid for from the current Street Department capital budget, Line Item #41-5-752-8200.
